1. New Rd. Name

Summary: A new dwelling is being built on tax map parcel 97-7-3A. There is currently an easement that serves as the access for five parcels. Three of those five have already been assigned 911 addresses. These residents are 182, 184, and 186 Lipscomb Hollow Road. All even numbers in the 180-188 range have already been assigned on Lipscomb Hollow Road.

The easement meets the criteria within the Amherst County Code to be named as a new road. Public Safety, Community Development, and the County Administrator contacted and met with the residents that will be impacted. The group discussed the possibility of a new road name. The residents recommended Rutledge Creek Trail as the new road name. All have signed and submitted a document noting that they are in agreement with this decision.

Recommended Motion: I move that the Board approve the naming of Rutledge Creek Trail. This name will be assigned to the road that currently serves the residents in the area referred to as Rutledge Creek Estates.

Comprehensive Plan Impact: This topic is not addressed in the Comprehensive Plan.
