

Agenda Item IX.C.

Meeting Date: July 18, 2023

Department: Administration

Topic: **Resolution 2023-13-R, Setting Solid Waste Rates and Fees**

Board Action: The Board is being asked to adopt a resolution setting rates and fees for solid waste disposal.

Attachment:

1. Res 2023-13-R Setting Solid Waste Rates and Fees
2. Copy of PW Fee Schedule

Summary: After a thorough analysis of the costs associated with the provision of solid waste services by Amherst County, it has been determined that it is now necessary to increase certain fees and rates to offset the increased expenses of providing such services. In accordance with the Amherst County Code, the Board of Supervisors is authorized to set solid waste fees and rates by resolution. The proposed resolution updates the fees and rates for solid waste disposal as previously discussed with the Board.

Recommended Motion: I move that the Board adopt the solid waste rates and fees resolution as presented.

Comprehensive Plan Impact: This topic is not addressed in the Comprehensive Plan.
