

MICHIGAN DEPARTMENT OF TRANSPORTATION
CITY OF BAY CITY
CONTRACT FOR A FEDERAL/STATE/LOCAL
AIRPORT PROJECT
UNDER THE BLOCK GRANT PROGRAM

This Contract is made and entered into between the Michigan Department of Transportation (MDOT) and City of Bay City (SPONSOR) for the purpose of fixing the rights and obligations of the parties in agreeing to the following undertaking at the James Clements Municipal Airport, whose associated city is Bay City, Michigan, such undertaking (PROJECT) estimated in detail in Exhibit 1, dated May 30, 2023, attached hereto and made a part hereof.

PROJECT DESCRIPTION: ACQUIRE EASEMENT FOR APPROACHES-RWY 23 (PARCEL E11) -LAND ACQUISITION

Recitals:

The PROJECT is eligible for federal funding under the federal Airport Improvement Program, pursuant to 49 USC 47101 *et seq.*, including 47128; and

MDOT has received a block grant from the Federal Aviation Administration (FAA) for airport development projects; and

MDOT is responsible for the allocation and management of block grant funds pursuant to the above noted act; and

Information required by 2 CFR Part 200 is attached to this Contract as Attachment X.

The parties agree that:

1. The term "PROJECT COST," as used herein, is defined in Attachment(s) 2, 11, attached hereto and made a part hereof. The PROJECT COST may also include administrative costs incurred by MDOT in connection with the PROJECT.

THE SPONSOR WILL:

2. Enter into a contract with a consultant for each element of the PROJECT that requires expertise. The consultant will be selected in conformity with FAA Advisory Circular 150/5100-14. MDOT will select the consultant for each element of the PROJECT that involves preparation of environmental documentation. The SPONSOR will select the consultant for all other aspects of the PROJECT. All consultant contracts will be submitted to MDOT for review and approval. Any such approvals will not be construed as a warranty of the consultant's qualifications, professional standing, ability to perform the work being subcontracted, or financial integrity. The SPONSOR will neither award a consultant contract nor authorize the consultant to proceed prior to receiving written approval of the contract from MDOT. Any change to the consultant contract will require prior written approval from MDOT. In the event that the consultant contract is terminated, the SPONSOR will give immediate written notice to MDOT.
3. Make payment to MDOT for the SPONSOR's share of the PROJECT COSTS within thirty (30) days of the billing date. MDOT will not make payments for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR's share of that item of the PROJECT work.

Eligible PROJECT COSTS that are paid by the SPONSOR may be submitted for credit toward the SPONSOR's share of the PROJECT COST provided that they are submitted within one hundred eighty (180) days of the date the costs were incurred or within one hundred eighty (180) days of the date of award of this Contract by the parties, whichever is later. Documentation of the PROJECT COST will include copies of the invoices on which the SPONSOR will write the amounts paid, the check numbers, the voucher numbers, and the dates of the checks. Each invoice will be signed by an official of the SPONSOR as proof of payment. The amount of the SPONSOR billing will be reduced by the amount of the eligible credit, based on documentation submitted, provided it is submitted prior to the date of the billing. Should it be determined that the SPONSOR has been given credit for payment of ineligible items of work, the SPONSOR will be billed an amount to ensure that the SPONSOR share of PROJECT COSTS is covered.

The SPONSOR pledges sufficient funds to meet its obligations under this Contract.

4. With regard to audits and record-keeping:
 - a. The SPONSOR will establish and maintain accurate records, in accordance with generally accepted accounting principles, of all expenses incurred for which payment is sought or made under this Contract (RECORDS). Separate accounts will be established and maintained for all costs incurred under this Contract.
 - b. The SPONSOR will maintain the RECORDS for at least six (6) years from the date of final payment made by MDOT under this Contract. In the event of a dispute with regard to allowable expenses or any other issue under this Contract, the SPONSOR will thereafter continue to maintain the RECORDS at least until

that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.

- c. MDOT or its representative may inspect, copy, scan, or audit the RECORDS at any reasonable time after giving reasonable notice.
 - d. If any part of the work is subcontracted, the SPONSOR will assure compliance with subsections (a), (b), and (c) above for all subcontracted work.
5. Provide and will require its subcontractors to provide access by MDOT or its representatives to all technical data, accounting records, reports, and documents pertaining to this Contract. Copies of technical data, reports, and other documents will be provided by the SPONSOR or its subcontractors to MDOT upon request. The SPONSOR agrees to permit representatives of MDOT to inspect the progress of all PROJECT work at any reasonable time. Such inspections are for the exclusive use of MDOT and are not intended to relieve or negate any of the SPONSOR's obligations and duties contained in this Contract. All technical data, reports, and documents will be maintained for a period of six (6) years from the date of final payment.
 6. In the performance of the PROJECT herein enumerated, by itself, by a subcontractor, or by anyone acting on its behalf, comply with any and all applicable state, federal, and local statutes, ordinances, and regulations. The SPONSOR further agrees to obtain all permits that are applicable to the entry into and the performance of this Contract.

The SPONSOR agrees to comply with the General Conditions and Special Conditions set forth in Appendix F, the FAA Assurances, and the FAA Advisory Circulars, attached hereto and made part hereof.

In addition, the SPONSOR agrees to accomplish the PROJECT in compliance with all applicable FAA Sponsor Certifications.

7. The SPONSOR agrees that the costs reported to MDOT for this Contract will represent only those items that are properly chargeable in accordance with this Contract. The SPONSOR also certifies that it has read the Contract terms and has made itself aware of the applicable laws, regulations, and terms of this Contract that apply to the reporting of costs incurred under the terms of this Contract.

MDOT WILL:

8. Bill the SPONSOR for the SPONSOR's share of the estimated PROJECT COST.
9. Upon receipt of payment requests approved by the SPONSOR, make payment for eligible PROJECT COSTS. MDOT will seek reimbursement from the FAA through the block grant issued to MDOT for funds expended on eligible PROJECT COSTS.

MDOT will not make payment for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR's share of that item of PROJECT work.

10. Make final accounting to the SPONSOR upon completion of the PROJECT, payment of all PROJECT COSTS, and completion of necessary audits. Any excesses or deficiencies will be returned or billed to the SPONSOR.

IT IS FURTHER AGREED THAT:

11. The PROJECT COST participation is estimated to be as shown below and as shown in the attached Exhibit 1. The PROJECT COST participation shown in Exhibit 1 is to be considered an estimate. The actual MDOT, FAA, and SPONSOR shares of the PROJECT COST will be determined at the time of financial closure of the FAA grant.

Federal Share	\$398,811
Maximum MDOT Share	\$7,728
SPONSOR Share	<u>\$7,729</u>
<i>Estimated</i> PROJECT COST	\$414,268

12. The PROJECT COST may be met in part with federal funds granted to MDOT by the FAA through the block grant program and in part with MDOT funds. Upon final settlement of the costs, the federal funds will be applied to the federally-funded parts of this Contract at a rate not to exceed ninety-five percent (95%) up to and not to exceed the maximum federal obligation shown in Section 11 or the revised maximum federal obligation set forth in a budget letter, as set forth in Section 13. Those parts beyond the federal funding maximum may be eligible for state funds at a rate not to exceed ninety percent (90%) up to and not to exceed the maximum MDOT obligation shown in Section 11.

For portions of the PROJECT for which only MDOT and SPONSOR funds will be applied to the final settlement, MDOT funds will be at a rate not to exceed ninety percent (90%), and the total MDOT funds applied toward the PROJECT COST may be up to but will not exceed the maximum MDOT obligation shown in Section 11 or the revised maximum MDOT obligation set forth in a budget letter, as set forth in Section 13. Any items of PROJECT COST not funded by FAA or MDOT funds will be the sole responsibility of the SPONSOR.

Alternatively, the PROJECT COST may be met in whole with federal funds granted to MDOT by the FAA through the block grant program. Upon final settlement of the costs, the federal funds will be applied to one hundred percent (100%) of the PROJECT COSTS up to and not to exceed the maximum federal obligation shown in Section 11 or the revised maximum federal obligation set forth in a budget letter, as set forth in Section 13.

MDOT funds in this Contract made available through legislative appropriation are based on projected revenue estimates. MDOT may reduce the amount of this Contract if the revenue actually received is insufficient to support the appropriation under which this Contract is made.

13. The PROJECT COST shown in Section 11 is the maximum obligation of MDOT and federal funds under this Contract. The maximum obligation of MDOT and federal funds may be adjusted to an amount less than the maximums shown in Section 11 through a budget letter issued by MDOT. A budget letter will be used when updated cost estimates for the PROJECT reflect a change in the amount of funds needed to fund all PROJECT COSTS. The budget letter will be signed by the Manager of the Airport Development Section of the Office of Aeronautics.

A budget letter will also be used to add or delete work items from the PROJECT description, provided that the costs do not exceed the maximum obligations shown in Section 11. If the total amount of the PROJECT COST exceeds the maximum obligations shown in Section 11, the PROJECT scope will have to be reduced or a written amendment to this Contract to provide additional funds will have to be awarded by the parties before the work is started.

14. In the event it is determined by MDOT that there will be either insufficient funds or insufficient time to properly administer such funds for the entire PROJECT or portions thereof, MDOT, prior to advertising or authorizing work performance, may cancel the PROJECT or any portion thereof by giving written notice to the SPONSOR. In the event this occurs, this Contract will be void and of no effect with respect to the canceled portion of the PROJECT. Any SPONSOR deposits on the canceled portion less PROJECT COSTS incurred on the canceled portions will be refunded following receipt of a letter from the SPONSOR requesting that excess funds be returned or at the time of financial closure, whichever comes first.
15. In the event that an audit performed by or on behalf of MDOT indicates an adjustment to the costs reported under this Contract or questions the allowability of an item of expense, MDOT will promptly submit to the SPONSOR a Notice of Audit Results and a copy of the audit report, which may supplement or modify any tentative findings verbally communicated to the SPONSOR at the completion of an audit.

Within sixty (60) days after the date of the Notice of Audit Results, the SPONSOR will (a) respond in writing to the responsible Bureau of MDOT indicating whether or not it concurs with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense, and (c) submit to MDOT a written explanation as to any questioned or no opinion expressed item of expense (RESPONSE). The RESPONSE will be clearly stated and will provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the SPONSOR may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by MDOT. The RESPONSE will refer to and apply the language of the Contract. The SPONSOR agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes MDOT to finally disallow any items of questioned or no opinion expressed cost.

MDOT will make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If MDOT determines that an overpayment has been made to the SPONSOR, the SPONSOR will repay that amount to MDOT or reach agreement with MDOT on a repayment schedule within thirty (30) days after the date of an invoice from MDOT. If the SPONSOR fails to repay the overpayment or reach agreement with MDOT on a repayment schedule within the thirty (30) day period, the SPONSOR agrees that MDOT will deduct all or a portion of the overpayment from any funds then or thereafter payable by MDOT to the SPONSOR under this Contract or any other agreement or payable to the SPONSOR under the terms of 1951 PA 51, as applicable. Interest will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The assessment of interest will begin thirty (30) days from the date of the invoice. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by MDOT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The SPONSOR expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest MDOT's decision only as to any item of expense the disallowance of which was disputed by the SPONSOR in a timely filed RESPONSE.

16. Failure on the part of the SPONSOR to comply with any of the conditions of this Contract may be considered cause for placing the SPONSOR in a state of noncompliance, thereby making the SPONSOR ineligible for future federal and/or state funds until such time as the noncompliance issues are resolved. In addition, this failure may constitute grounds for cancellation of the PROJECT and/or repayment of all grant amounts on a pro rata basis, if the PROJECT has begun. In this section, pro rata means proration of the cost of the PROJECT over twenty (20) years if the PROJECT has not yet begun.
17. Any approvals, acceptances, reviews, and/or inspections of any nature by MDOT will not be construed as warranties or assumptions of liability on the part of MDOT. It is expressly understood and agreed that any such approvals, acceptances, reviews, and/or inspections are for the sole and exclusive purposes of MDOT, which is acting in a governmental capacity under this Contract, and that such approvals, acceptances, reviews, and/or inspections are a governmental function incidental to the PROJECT under this Contract.

Any approvals, acceptances, reviews, and/or inspections by MDOT will not relieve the SPONSOR of its obligations hereunder, nor are such approvals, acceptances, reviews, and/or inspections by MDOT to be construed as warranties as to the propriety of the SPONSOR's performance but are undertaken for the sole use and information of MDOT.

18. With regard to nondiscrimination and Disadvantaged Business Enterprise (DBE) requirements:

- a. In connection with the performance of PROJECT work under this Contract, the SPONSOR (hereinafter in Appendix A referred to as the “contractor”) agrees to comply with the State of Michigan provisions for “Prohibition of Discrimination in State Contracts,” as set forth in Appendix A, dated June 2011, attached hereto and made a part hereof. The SPONSOR (hereinafter in Appendix B referred to as the “contractor”) further agrees to comply with the Civil Rights Act of 1964, being P.L. 88-352, 78 Stat. 241, as amended, being Title 42 USC Sections 1971, 1975a-1975d, and 2000a-2000h-6, and the Regulations of the United States Department of Transportation (49 CFR Part 21) issued pursuant to said Act, including Appendix B, attached hereto and made a part hereof. These provisions will be included in all subcontracts relating to this Contract.
 - b. The SPONSOR will carry out the applicable requirements of MDOT’s DBE program and 49 CFR Part 26, including, but not limited to, those requirements set forth in Appendix C, dated October 1, 2005, attached hereto and made a part hereof.
19. The SPONSOR agrees to require all prime contractors to pay each subcontractor for the satisfactory completion of work associated with the subcontract no later than ten (10) calendar days from the receipt of each payment the prime contractor receives from MDOT or the SPONSOR. The prime contractor also is required to return retainage payments to each subcontractor within ten (10) calendar days after the subcontractor’s work is satisfactorily completed. Any delay or postponement of payment from these time frames may occur only upon receipt of written approval from MDOT. These requirements are also applicable to all sub-tier subcontractors and will be made a part of all subcontract agreements.

This prompt payment provision is a requirement of 49 CFR, Part 26, as amended, and does not confer third-party beneficiary right or other direct right to a subcontractor against MDOT. This provision applies to both DBE and non-DBE subcontractors.

The SPONSOR further agrees that it will comply with 49 CFR, Part 26, as amended, and will report any and all DBE subcontractor payments to MDOT with each invoice in the format set forth in Appendix G, dated September 2015, attached hereto and made a part hereof, or any other format acceptable to MDOT.

20. In accordance with 1980 PA 278, MCL 423.321 *et seq.*, the SPONSOR, in the performance of this Contract, will not enter into a contract with a subcontractor, manufacturer, or supplier listed in the register maintained by the United States Department of Labor of employers who have been found in contempt of court by a federal court of appeals on not less than three (3) separate occasions involving different violations during the preceding seven (7) years for failure to correct an unfair labor practice, as prohibited by Section 8 of Chapter 372 of the National Labor Relations Act, 29 USC 158. MDOT may void this Contract if the name of the SPONSOR or the name of a subcontractor, manufacturer, or supplier utilized by the SPONSOR in the

performance of this Contract subsequently appears in the register during the performance period of this Contract.

21. With regard to claims based on goods or services that were used to meet the SPONSOR's obligation to MDOT under this Contract, the SPONSOR hereby irrevocably assigns its right to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or MDOT due to any violation of 15 USC, Sections 1 - 15, and/or 1984 PA 274, MCL 445.771 - 445.788, excluding Section 4a, to the State of Michigan or MDOT.

The SPONSOR shall require any subcontractors to irrevocably assign their rights to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or MDOT with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to MDOT under this Contract due to any violation of 15 USC, Sections 1 - 15, and/or 1984 PA 274, MCL 445.771 - 445.788, excluding Section 4a, to the State of Michigan or MDOT as a third-party beneficiary.

The SPONSOR shall notify MDOT if it becomes aware that an antitrust violation with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to MDOT under this Contract may have occurred or is threatened to occur. The SPONSOR shall also notify MDOT if it becomes aware of any person's intent to commence, or of commencement of, an antitrust action with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to MDOT under this Contract.

22. In any instance of dispute and/or litigation concerning the PROJECT, the resolution thereof will be the sole responsibility of the party/parties to the contract that is/are the subject of the controversy. It is understood and agreed that any legal representation of the SPONSOR in any dispute and/or litigation will be the financial responsibility of the SPONSOR.
23. MDOT and the FAA will not be subject to any obligations or liabilities by contractors of the SPONSOR or their subcontractors or any other person not a party to this Contract without its specific consent and notwithstanding its concurrence in or approval of the award of any contract or subcontract or the solicitation thereof.
24. Each party to this Contract will remain responsible for any claims arising out of that party's performance of this Contract, as provided by this Contract or by law.

This Contract is not intended to increase or decrease either party's liability for or immunity from tort claims.

This Contract is not intended to give, nor will it be interpreted as giving, either party a right of indemnification, either by Contract or at law, for claims arising out of the performance of this Contract.

25. This Contract will be in effect from the date of award (the date of the final signature) through twenty (20) years.
26. In case of any discrepancies between the body of this Contract and any exhibit hereto, the body of the Contract will govern.

27. This Contract will become binding on the parties and of full force and effect upon signing by the duly authorized representatives of the SPONSOR and MDOT and upon adoption of a resolution approving said Contract and authorizing the signature(s) thereto of the respective representative(s) of the SPONSOR, a certified copy of which resolution will be sent to MDOT with this Contract, as applicable.

SUPPLEMENTAL PROVISIONS FOR FEDERAL/STATE/LOCAL CONTRACTS INVOLVING LAND ACQUISITION AT ALL CLASSIFICATIONS OF AIRPORTS

1. The PROJECT COST will include the costs necessary for the performance of the PROJECT work, including related engineering, title research, appraisals, negotiations, acquisitions, relocation of displaced persons and businesses, structure removal, legal and litigation costs and attorney fees, technical guidance, and monitoring incurred in connection with the PROJECT.
2. If the PROJECT is canceled or the SPONSOR ceases acquisition on a voluntary basis, all costs, fees, and damages allowed will be the responsibility of the SPONSOR. If the SPONSOR discontinues or abandons any condemnation case, the SPONSOR will be responsible for all costs, fees, and damages allowed at law or in equity. It is further agreed that any claims filed alleging a constructive or de facto taking will be the responsibility of the SPONSOR with regard to damages, costs, interest, and attorney fees.
3. The SPONSOR agrees that it will maintain the airport in full operating condition on a year-round basis for a period of twenty (20) years, in accordance with the general utility licensing requirements set forth by the Michigan Aeronautics Commission in its rules and regulations. During this period, the airport will not be abandoned or permanently closed without the express written permission of the DEPARTMENT. During this period and beyond, for land purchased under the PROJECT, the SPONSOR, when the land is no longer needed for airport purposes, will dispose of such land at fair market value and make available to the DEPARTMENT an amount equal to the DEPARTMENT's proportionate share of the current fair market value of the land.
4. In addition to the requirements of paragraph 3 of these supplemental provisions, and not in lieu thereof, should the SPONSOR desire to abandon, close, sell, or otherwise divest itself of the airport or any portion thereof, the SPONSOR agrees to also provide to the DEPARTMENT prior written notice of such intent giving the DEPARTMENT, for a period of one hundred eighty (180) days after receipt of such notice, a first right to purchase at fair market value the airport and all facilities thereon. Fair market value will be determined by an independent appraisal of such properties.

The notice of intent and first right to purchase will be provided via registered or certified mail, return receipt, postage prepaid, addressed to the Executive Administrator of the Office of Aeronautics, Michigan Department of Transportation.

5. The SPONSOR will operate and maintain in a safe and serviceable condition the airport and all facilities thereon and connected therewith that are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States or the State of Michigan, and will not permit any activity thereon that would interfere with its use for airport purposes, provided, however, that nothing herein will be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility that is substantially damaged or destroyed due to any act of God or other condition or circumstance beyond the control of the SPONSOR.
6. The SPONSOR will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration, and/or growth of any structure, tree, or other object in the approach areas of the runways of the airport that would constitute an obstruction to air navigation according to the criteria or standards prescribed in the FAA Advisory Circulars.

For a period of twenty (20) years, the SPONSOR will make the airport available as an airport for public use for all types, kinds, and classes of aeronautical use on fair and reasonable terms and without unjust discrimination. Rates charged to aeronautical users will be determined based on the cost to the SPONSOR of providing the facility. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or engage in an approved non-aeronautical activity, the SPONSOR will charge fair market value for the right to conduct such activity. During this period, all revenues generated by the airport for aeronautical and non-aeronautical activities will be expended for the capital or operating costs of the airport, the local airport system, or other local facilities that are owned or operated by the SPONSOR and are directly and substantially related to the actual air transportation of passengers or property.

ATTACHMENT 11

SUPPLEMENTAL PROVISIONS FOR FEDERAL/STATE/LOCAL CONTRACTS WHEN THE PROJECT PAYMENTS ARE HANDLED BY THE SPONSOR SEEKING REIMBURSEMENT

1. The SPONSOR will be responsible for making all payments associated with the PROJECT work. Not more often than once a month, the SPONSOR will submit a request for reimbursement to the DEPARTMENT. The reimbursement request will detail the costs expended on the PROJECT during the reporting period. The SPONSOR will include a certification that all costs reported are eligible costs under the terms of this Contract.
2. The SPONSOR will provide and will require its subcontractors to provide access by the DEPARTMENT or its representatives to all technical data, reports, financial information, and other documents pertaining to this Contract. Copies of technical data, reports, financial information, and other documents will be provided by the SPONSOR or its subcontractors to the DEPARTMENT upon request. The SPONSOR also agrees to permit representatives of the DEPARTMENT to inspect the progress of all PROJECT work at any reasonable time. Such inspections are for the exclusive use of the DEPARTMENT and are not intended to relieve or negate any of the SPONSOR's obligations and duties contained in this Contract. All technical data, reports, financial information, and other documents will be maintained for a period of three (3) years from the date of final payment.
3. The DEPARTMENT will, upon approval by the legislature and the Michigan Aeronautics Commission and upon request for reimbursement from the SPONSOR, bill the FAA for eligible costs in accordance with the terms of the grant from the FAA. The DEPARTMENT will reimburse the SPONSOR with the funds received from the FAA.
4. The DEPARTMENT will make final accounting to the FAA for purposes of PROJECT closure upon completion of the PROJECT, payment of all PROJECT COSTS, and completion of necessary audits. Any excesses or deficiencies will be returned or billed to the SPONSOR.
5. Reimbursement of any costs will not constitute a final determination by the DEPARTMENT of the allowability of such costs and will not constitute a waiver by the DEPARTMENT of any violation of the terms and conditions of this Contract committed by the SPONSOR.
6. Determination of allowable PROJECT COSTS will be in accordance with the cost criteria set forth in the Office of Management and Budget Circular A-87 and/or 49 CFR, Part 18, as amended, in effect at the time the FAA Grant is signed by both parties, incorporated herein by reference as if the same were repeated in full herein.

APPENDIX A
PROHIBITION OF DISCRIMINATION IN STATE CONTRACTS

In connection with the performance of work under this contract; the contractor agrees as follows:

1. In accordance with Public Act 453 of 1976 (Elliott-Larsen Civil Rights Act), the contractor shall not discriminate against an employee or applicant for employment with respect to hire, tenure, treatment, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, height, weight, or marital status. A breach of this covenant will be regarded as a material breach of this contract. Further, in accordance with Public Act 220 of 1976 (Persons with Disabilities Civil Rights Act), as amended by Public Act 478 of 1980, the contractor shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment or a matter directly or indirectly related to employment because of a disability that is unrelated to the individual's ability to perform the duties of a particular job or position. A breach of the above covenants will be regarded as a material breach of this contract.
2. The contractor hereby agrees that any and all subcontracts to this contract, whereby a portion of the work set forth in this contract is to be performed, shall contain a covenant the same as hereinabove set forth in Section 1 of this Appendix.
3. The contractor will take affirmative action to ensure that applicants for employment and employees are treated without regard to their race, color, religion, national origin, age, sex, height, weight, marital status, or any disability that is unrelated to the individual's ability to perform the duties of a particular job or position. Such action shall include, but not be limited to, the following: employment; treatment; upgrading; demotion or transfer; recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
4. The contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, age, sex, height, weight, marital status, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.
5. The contractor or its collective bargaining representative shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising such labor union or workers' representative of the contractor's commitments under this Appendix.
6. The contractor shall comply with all relevant published rules, regulations, directives, and orders of the Michigan Civil Rights Commission that may be in effect prior to the taking of bids for any individual state project.

7. The contractor shall furnish and file compliance reports within such time and upon such forms as provided by the Michigan Civil Rights Commission; said forms may also elicit information as to the practices, policies, program, and employment statistics of each subcontractor, as well as the contractor itself, and said contractor shall permit access to the contractor's books, records, and accounts by the Michigan Civil Rights Commission and/or its agent for the purposes of investigation to ascertain compliance under this contract and relevant rules, regulations, and orders of the Michigan Civil Rights Commission.
8. In the event that the Michigan Civil Rights Commission finds, after a hearing held pursuant to its rules, that a contractor has not complied with the contractual obligations under this contract, the Michigan Civil Rights Commission may, as a part of its order based upon such findings, certify said findings to the State Administrative Board of the State of Michigan, which State Administrative Board may order the cancellation of the contract found to have been violated and/or declare the contractor ineligible for future contracts with the state and its political and civil subdivisions, departments, and officers, including the governing boards of institutions of higher education, until the contractor complies with said order of the Michigan Civil Rights Commission. Notice of said declaration of future ineligibility may be given to any or all of the persons with whom the contractor is declared ineligible to contract as a contracting party in future contracts. In any case before the Michigan Civil Rights Commission in which cancellation of an existing contract is a possibility, the contracting agency shall be notified of such possible remedy and shall be given the option by the Michigan Civil Rights Commission to participate in such proceedings.
9. The contractor shall include or incorporate by reference, the provisions of the foregoing paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Michigan Civil Rights Commission; all subcontracts and purchase orders will also state that said provisions will be binding upon each subcontractor or supplier.

Appendix B

(Aeronautics)

CIVIL RIGHTS ACT OF 1964, TITLE VI - 49 CFR PART 21 CONTRACTUAL REQUIREMENTS

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the “contractor”) agrees as follows:

1. **Compliance with Regulations.** The contractor will comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter “DOT”) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination.** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor will not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
3. **Solicitation for Subcontracts, Including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurement of materials of leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor’s obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. **Information and Reports.** The contractor will provide all information and reports required by the Regulations or directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor will so certify to the sponsor of the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance.** In the event of the contractor’s noncompliance with the nondiscrimination provisions of this contract, the sponsor will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

- a. Withholding of payments to the contractor under the contract until the contractor complies, and/or
 - b. Cancellation, termination, or suspension of the contract, in whole or in part.
6. Incorporation of Provisions. The contractor will include the provisions of paragraphs 1 through 5 in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directive issued pursuant thereto. The contractor will take such action with respect to any subcontract or procurement as the sponsor or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the Sponsor to enter into such litigation to protect the interests of the sponsor and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

APPENDIX C
Assurances that Recipients and Contractors Must Make
(Excerpts from US DOT Regulation 49 CFR § 26.13)

- A. Each financial assistance agreement signed with a DOT operating administration (or a primary recipient) must include the following assurance:

The recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any US DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The recipient shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of US DOT-assisted contracts. The recipient's DBE program, as required by 49 CFR Part 26 and as approved by US DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the department may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

- B. Each contract MDOT signs with a contractor (and each subcontract the prime contractor signs with a subcontractor) must include the following assurance:

The contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of US DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanction;
- (3) Liquidated damages; and/or
- (4) Disqualifying the contractor from future bidding as non-responsible.

APPENDIX F

GENERAL CONDITIONS

(Any Reference to FAA includes MDOT where applicable.)

1. **Ineligible or Unallowable Costs.** The Sponsor must not include any costs in the project that the FAA/MDOT has determined to be ineligible or unallowable.
2. **Determining the Final Federal Share of Costs.** The United States' share of allowable project costs will be made in accordance with the regulations, policies and procedures of the Secretary. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
3. **Completing the Project Without Delay and in Conformance with Requirements.** The Sponsor must carry out and complete the project without undue delays and in accordance with this agreement, and the regulations, policies and procedures of the Secretary. The Sponsor also agrees to comply with the assurances which are part of this agreement.
4. **Improper Use of Federal Funds.** The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner in any project upon which Federal funds have been expended. For the purposes of this grant agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor that were originally paid pursuant to this or any other Federal grant agreement. The Sponsor must obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.
5. **United States Not Liable for Damage or Injury.** The United States is not be responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this subgrant agreement.
6. **Air and Water Quality.** The Sponsor is required to comply with all applicable air and water quality standards for all projects in this subgrant. If the Sponsor fails to comply with this requirement, the FAA/MDOT may suspend, cancel, or terminate this subgrant.
7. **Financial Reporting and Payment Requirements.** The Sponsor will comply with all federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.
8. **Buy American.** Unless otherwise approved in advance by the FAA/MDOT, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for which funds are provided under this subgrant. The Sponsor will include a provision implementing Buy American in every contract.

APPENDIX F

9. Suspension or Debarment.

The State must:

- A. Immediately disclose to the FAA whenever the State:
 - 1. Learns a sub-recipient has entered into a covered transaction with an ineligible entity;
 - 2. Suspends or debars a contractor, person or entity.

The Subgrantee must:

- B. When entering into “covered transactions”, as defined by 2 CFR 180.200:
 - 1. Verify the non-federal entity is eligible to participate in this Federal program by:
 - a. Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if non-federal entity is excluded or disqualified; or
 - b. Collecting a certification statement from the non-federal entity attesting they are not excluded or disqualified from participating; or
 - c. Adding a clause or condition to covered transactions attesting individual or firm are not excluded or disqualified from participating.
 - 2. Require prime contractors to comply with 2 CFR 180.330 when entering into lower-Tier transactions (e.g. Sub-contracts).

10. Ban on Texting When Driving.

- a. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:
 - i. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or subgrant.
 - ii. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
 - 1. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - 2. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- b. The Sponsor must insert the substance of this clause on banning texting when driving in all subgrants, contracts and subcontracts.

APPENDIX F

11. Trafficking in Persons.

- a. Prohibitions: The prohibitions against trafficking in persons (Prohibitions) that apply to any entity other than a State, local government, Indian tribe, or foreign public entity. This includes private Sponsors, public Sponsor employees, subrecipients of private or public Sponsors (private entity) are:
 1. Engaging in severe forms of trafficking in persons during the period of time that the agreement is in effect;
 2. Procuring a commercial sex act during the period of time that the agreement is in effect; or
 3. Using forced labor in the performance of the agreement, including subcontracts or sub-agreements under the agreement.
- b. In addition to all other remedies for noncompliance that are available to the FAA, Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. 7104(g)), allows the FAA/MDOT to unilaterally terminate this agreement, without penalty, if a private entity –
 - i. Is determined to have violated the Prohibitions; or
 - ii. Has an employee who the FAA/MDOT determines has violated the Prohibitions through conduct that is either—
 1. Associated with performance under this agreement; or
 2. Imputed to the Sponsor or subrecipient using 2 CFR part 180, “OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement),” as implemented by the FAA at 49 CFR Part 29.

12. Exhibit A Included with Grant Application. The Exhibit “A” updated on the date shown on the Exhibit A, submitted with the project application, is made a part of this grant agreement.

13. Co-Sponsor.

The Co-Sponsors understand and agree that they jointly and severally adopt and ratify the representations and assurances contained therein and that the word "Sponsor" as used in the application and other assurances is deemed to include all co-sponsors.

14. Audits for Public Sponsors.

A subgrantee expending \$750,000 or more of Federal awards in a fiscal year must conduct a single or program specific audit in accordance with 2 CFR part 200 part 200.

APPENDIX F

15. System for Award Management (SAM) Registration and Universal Identifier.

A. Requirement for System for Award Management (SAM): Unless the subgrantee is exempted from this requirement under 2 CFR 25.110, the subgrantee must maintain the currency of its information in the SAM until the State submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the State review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).

B. Requirement for Data Universal Numbering System (DUNS) Numbers:

1. The State must notify a potential subrecipient that it cannot receive a subgrant unless it has provided its DUNS number to the State.
2. The State may not make a subgrant to a subrecipient unless the subrecipient has provided its DUNS number to the State.
3. Data Universal Numbering System: DUNS number means the nine-digit number Established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities. A DUNS number may be obtained from D&B by telephone (866-606-8220) or on the web at <http://fedgov.dnb.com/webform>).

16. Employee Protection from Reprisal.

A. Prohibition of Reprisals-

1. In accordance with 41U.S.C. § 4712, an employee of a grantee or subgrantee may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in sub-paragraph (A)(2), information that the employee reasonably believes is evidence of:
 - i. Gross mismanagement of a Federal grant;
 - ii. Gross waste of Federal funds;
 - iii. An abuse of authority relating to implementation or use of Federal funds;
 - iv. A substantial and specific danger to public health or safety; or v. A violation of law, rule, or regulation related to a Federal grant.
2. Persons and bodies covered: The persons and bodies to which a disclosure by an employee is covered are as follows:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office;
 - iv. A Federal office or employee responsible for oversight of a grant program;
 - v. A court or grand jury;
 - vi. A management office of the grantee or subgrantee; or vii. A Federal or State regulatory enforcement agency.

APPENDIX F

- B. Submission of Complaint- A person who believes that they have been subjected to a reprisal prohibited by paragraph A of this grant term may submit a complaint regarding the reprisal to the Office of Inspector General {OIG} for the U.S. Department of Transportation.
- C. Time Limitation for Submittal of a Complaint- A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
- D. Required Actions of the Inspection General- Actions, limitations and exceptions of the Inspector General's office are established under 41U.S.C. § 4712{b}.
- E. Assumption of Rights to Civil Remedy- Upon receipt of an explanation of a decision not to conduct or continue an investigation by the Office of Inspector General, the person submitting a complaint assumes the right to a civil remedy under 41U.S.C. § 4712(c).

17. Land Acquisition.

- A. "The Sponsor agrees that no payments will be made on the grant until the Sponsor has presented evidence to the State that it has recorded the grant agreement, including the grant assurances, in the public land records of the county courthouse. The Sponsor understands and agrees that recording the grant agreement legally enforces these requirements, encumbrances and restrictions on the obligated land."

Sponsor Type ¹	Type of Project	Special Conditions
Airport	ARFF and SRE : Equipment Acquisition	<u>ARFF and SRE EQUIPMENT AND VEHICLES:</u> The Sponsor agrees that it will: 1) house and maintain the equipment in a state of operational readiness on and for the airport; 2) provide the necessary staffing and training to maintain and operate the vehicle and equipment; 3) restrict the vehicle to on-airport use only; 4) restrict the vehicle to the use for which it was intended; and 5) amend the Airport Emergency Plan and/or Snow and Ice Control Plan to reflect the acquisition of the vehicle and equipment. (Applicable only for Part 139 Airports).
Airport	Equipment Replacement such as ARFF and SRE	<u>EQUIPMENT OR VEHICLE REPLACEMENT:</u> The Sponsor agrees that because the Fair Market Value is \$5,000 or more and the equipment/vehicle will not be retained by the Sponsor for airport purposes (or donated to another eligible/justified Sponsor), the Sponsor will use the Fair Market Value of equipment being replaced by this project to reduce the total project costs.
Airport	ARFF Equipment - Off-Airport Storage	<u>OFF-AIRPORT STORAGE OF ARFF VEHICLE:</u> The Sponsor agrees that it will: 1) house and maintain the vehicle in a state of operational readiness for the airport; 2) provide the necessary staffing and training to maintain and operate the vehicle; 3) restrict the vehicle to airport use only; 4) amend the Airport Emergency Plan to reflect the acquisition of the vehicle ; 5) within 60 days, execute an agreement with local government including the above provisions and a provision that violation of agreement could require repayment of subgrant funding; and 6) submit a copy of the executed agreement to the FAA.
Airport	AWOS	<u>AUTOMATED WEATHER OBSERVING SYSTEMS (AWOS):</u> The Sponsor agrees that it will: 1) within 60 calendar days of subgrant acceptance, establish a Memorandum of Agreement (MOA) with the FAA; 2) develop an Operations Maintenance Manual to more specifically describe the operational, maintenance, and documentation

Airport	ALP & AIP Funded Construction	<p>AIRPORT LAYOUT PLAN: The Sponsor understands and agrees to update the Airport Layout Plan to reflect the construction to standards satisfactory to the FAA and submit it in final form to the FAA. It is further mutually agreed that the reasonable cost of developing said Airport Layout Plan Map is an allowable cost within the scope of this project.</p>
Airport	Lighting - Operation and Maintenance	<p>LIGHTING: The Sponsor must operate and maintain the lighting system during the useful life of the system in accordance with applicable FAA standards.</p>
Airport	Temporary NAVAIDS	<p>TEMPORARY NAVAIDS: The Sponsor agrees that this equipment is being acquired for temporary use to minimize disruptions to the airport during construction. The Sponsor further agrees that upon construction completion of this project or at the point when this equipment is no longer needed for its intended use (but no later than the construction completion of the project), that the Sponsor will house this equipment in an interior enclosure. The Sponsor further agrees to make this equipment available, without cost, to be transferred to another airport or as directed by the FAA.</p>
Airport	Construction on land not yet acquired/ Good Title	<p>NOTICE TO PROCEED - PROPERTY INTEREST ACQUIRED: The Sponsor understands and agrees that the FAA authorization for the Sponsor to issue a notice to proceed with construction work will not be given until the Sponsor has adequately certified that good title will be acquired on the land on which construction is to be performed.</p>
Airport	Construction on land not yet acquired/ Good Title	<p>TITLE EVIDENCE: The Sponsor understands and agrees that the FAA will not make nor be obligated to make any payments involving Parcel(s) N/A until title evidence has been submitted to, and found satisfactory by the FAA, subject to no liens, encumbrances, reservations or exceptions which in the opinion of the FAA might create an undue risk or interference with the use and operation of the airport.</p>

Airport	DBE Plan	DBE PLAN: The Sponsor understands and agrees that the FAA will not make nor be obligated to make any payments on this subgrant until the Sponsor has received approval of its DBE Plan from the FAA Office of Civil Rights.
Airport	Environmental (Required for All Projects)	ENVIRONMENTAL: The environmental approval for this project was issued on the date/s shown in Aeronautics' Michigan Department of Transportation's computer program AeroPM. This project includes the following mitigation measures: Please refer directly to CATEX and all additional environmental documentation for impact considerations and mitigation measures. The Sponsor understands and agrees to complete the above-listed mitigation measures to standards satisfactory to the FAA. It is further mutually agreed that the reasonable cost of completing these mitigation measures is an allowable cost within the scope of this project.
Airport	EMAS	EMAS BLOCK PRE-PURCHASE: The Sponsor understands that it may request reimbursement for payment made by the Sponsor to the EMAS manufacturer for up to 90% of the cost of EMAS block manufacturing costs of EMAS blocks that remain in the manufacturer's care, custody and control provided that the Sponsor has provided a certification to the FAA as to quantity and condition of the EMAS blocks. The remaining payment may be made after delivery to the Sponsor's location and acceptance by the Sponsor.
Airport	Equipment	EQUIPMENT ACQUISITION: The Sponsor understands and agrees that any equipment acquired through this subgrant is considered a <i>facility</i> as that term is used in the Grant Assurances. Further, the equipment must be only operated by the Sponsor. The Sponsor agrees that it will maintain the equipment and use it exclusively at the airport for airport purposes.
Airport	Equipment - Friction Measuring Device	FRICTION MEASURING DEVICES: The Sponsor agrees that it will properly calibrate, operate, and maintain the friction measuring equipment. The friction measuring equipment and tow vehicle (if applicable) must not be used for any other purpose other than for conducting friction measuring tests on airport pavement surfaces and directly related activities.

The program must include as a minimum: <ul style="list-style-type: none"> (1) The name of the person representing the Sponsor who has overall responsibility for contract administration for the project and the authority to take necessary actions to comply with the contract. (2) Names of testing laboratories and consulting engineer firms with quality control responsibilities on the project, together with a description of the services to be provided. (3) Procedures for determining that the testing laboratories meet the requirements of the American Society of Testing and Materials standards on laboratory evaluation referenced in the contract specifications (D 3666, C 1077). (4) Qualifications of engineering supervision and construction inspection personnel. (5) A listing of all tests required by the contract specifications, including the type and frequency of tests to be taken, the method of sampling, the applicable test standard, and the acceptance criteria or tolerances permitted for each type of test. (6) Procedures for ensuring that the tests are taken in accordance with the program, that they are documented daily, and that the proper corrective actions, where necessary, are undertaken.

The FAA, at its discretion, reserves the right to conduct independent tests and to reduce subgrant payments accordingly if such independent tests determine that sponsor test results are inaccurate.
Airport	Pavement maintenance	<p><u>MAINTENANCE PROJECT LIFE:</u> The Sponsor agrees that pavement maintenance is limited to those aircraft pavements that are in sufficiently sound condition that they do not warrant more extensive work, such as reconstruction or overlays in the immediate or near future. The Sponsor further agrees that AIP funding for the pavements maintained under this project will not be requested for more substantial type rehabilitation (more substantial than periodic maintenance) for a 5-year period following the completion of this project unless the FAA determines that the rehabilitation or reconstruction is required for safety reasons.</p>
Airport	RPZ Acquisition	<p><u>PROTECTION OF RUNWAY PROTECTION ZONE:</u> The Sponsor agrees to prevent the erection or creation of any structure, place of public assembly, or other use in the runway protection zone, as depicted on the Exhibit "A": Property Map, except for NAVAIDS that are fixed by their functional purposes or any other structure permitted by the FAA. The Sponsor further agrees that any existing structures or uses within the Runway Protection Zone will be cleared or discontinued by the Sponsor unless approved by the FAA.</p>

Sponsor Type ¹	Type of Project	Special Conditions
Airport	RPZ Acquisition	PROTECTION OF RUNWAY PROTECTION ZONE: The Sponsor agrees to take any and all steps necessary to ensure that the owner of the land within the designated Runway Protection Zone will not build any structure in the Runway Protection Zone that is an airport hazard or which might create glare or misleading lights or lead to the construction of residences, fuel handling and storage facilities, smoke generating activities, or places of public assembly, such as churches, schools, office buildings, shopping centers, and stadiums.
Airport	RPZ Future Acquisition (This special condition should be used if any of the following items are part of the grant: 1) An airfield project that impacts the runway threshold, 2) A change in the design critical aircraft that increases the RPZ dimensions, or 3) A new or revised instrument approach procedure that increases the RPZ dimensions).	ACQUISITION OF THE RUNWAY PROTECTION ZONE: Future Interest in the Runway Protection Zone: The Sponsor agrees that it will acquire the Fee Title or Easement as called out by legal description in signed, applicable agreements separate from this one, as appropriate, in the Runway Protection Zones for runways that presently are not under its control within a reasonable number of years of this Subgrant Agreement. The Sponsor further agrees to prevent the erection or creation of any structure or place of public assembly in the Runway Protection Zone, except for NAVAIDS that are fixed by their functional purposes or any other structure approved by the FAA. The Sponsor further agrees that any existing structures or uses within the Runway Protection Zone will be cleared or discontinued by the Sponsor unless approved by the FAA.
Airport	VALE equipment	LOW EMISSION SYSTEMS: The Sponsor agrees that vehicles and equipment included in this subgrant: 1) will be maintained and used at the airport for which they were purchased ; 2) will not be transferred, relocated, or used at another airport without the advance consent of the FAA; 3) will be clearly labeled using the FAA-designed VALE program emblem; 4) will be replaced, at the Sponsor’s own cost, any disabled or seriously damaged vehicle or equipment at any time during its useful life, with an equivalent vehicle or unit that produces an equal or lower level of emissions for the useful life of the vehicle or equipment, or life of Airport Emission Reduction Credits, whichever is longer. The Sponsor further agrees that it will maintain annual records on individual vehicles and equipment, project expenditures, cost effectiveness, and emission reductions.

Sponsor Type ¹	Type of Project	Special Conditions
Airport	VALE Recharging System	<u>RECHARGING SYSTEM VALE– USE AND OPERATION REQUIREMENTS:</u> The Sponsor understands that it is obligated to earn emissions credits from the state air quality agency on a yearly basis for the use of this recharging system and the use of electric ground support equipment at the airport. The Sponsor understands and agrees that the Sponsor may be obligated to repay to the FAA some or all of the federal share of the recharging project if Sponsor does not earn the emissions credits that the Sponsor estimated in the project application.
Airport or Noise	Building Allowable Costs (Prorate)	<u>BUILDING AIP PRORATION:</u> For purposes of computing the United States’ share of the allowable project costs of the project, the allowable cost of the items called out in the Project Plans and Proposal, Contract Changes, Amendments, and agreed upon grant increases included in the project must not exceed costs agreed upon in the Exhibit 1 of this contract and any amendments to this contract calculated as a percent of the actual cost of the entire building.
Airport or Noise	Noise Land	<u>ACQUISITION OF NOISE LAND:</u> The Sponsor agrees that as part of the land acquisition in this project, it will prepare or update a Noise Land Inventory Map and Reuse Plan to standards satisfactory to the FAA and submit said documentation in final form to the FAA. It is further mutually agreed that the reasonable cost of developing or updating a Noise Land Inventory Map and Disposal Plan is an allowable cost within the scope of this project.
Airport or Noise	Noise - Annual Report	<u>ANNUAL NOISE REPORT:</u> As a condition of this Airport Improvement Program (AIP) subgrant, the Sponsor agrees to provide to the FAA, an annual report of funds expended and actions associated with this subgrant within 90 days following the end of each Federal fiscal year the subgrant remains open. The report must provide the following information: <ol style="list-style-type: none"> 1) Total noise subgrant funds expended during the fiscal year. 2) Amount of funds expended by Program Element(s) as identified in the Sponsor’s Noise Compatibility Program (NCP). 3) Number of parcels mitigated by DNL contour and Program Element as identified in the Sponsor’s NCP. 4) Total number of people impacted by the Sponsor’s NCP (by DNL contour) and total number of people mitigated during the fiscal year by DNL contour and Program Element as identified in the Sponsor’s NCP. 5) A graphic (map) depicting DNL contours and the location of mitigation action as defined by the Program Element(s) of the Sponsor’s NCP, including a list by address for mitigation actions shown on the map.

All Sponsor Types	Plans and Specifications	PLANS AND SPECIFICATIONS PRIOR TO BIDDING: The Sponsor agrees that it will submit plans and specifications for FAA review and approval prior to advertising for bids.
All Sponsor Types	Plans and Specifications Certification	<p>PLANS & SPECIFICATIONS APPROVAL BASED UPON CERTIFICATION: The FAA and the Sponsor agree that the FAA approval of the Sponsor's Plans and Specification is based primarily upon the Sponsor's certification to carry out the project in accordance with policies, standards, and specifications approved by the FAA. The Sponsor understands that:</p> <p>1)The Sponsor's certification does not relieve the Sponsor of the requirement to obtain prior FAA approval for modifications to any AIP standards or to notify the FAA of any limitations to competition within the project;</p> <p>2)The FAA's acceptance of a Sponsor's certification does not limit the FAA from reviewing appropriate project documentation for the purpose of validating the certification statements;</p> <p>3) if the FAA determines that the Sponsor has not complied with their certification statements, the FAA will review the associated project costs to determine whether such costs are allowable under AIP.</p>
All Sponsor Types	Design-Only Subgrants	DESIGN SUBGRANT: This subgrant agreement is being issued in order to complete the design of the project. The Sponsor understands and agrees that within 2 years after the design is completed that the Sponsor will accept, subject to the availability of the amount of federal funding identified in the Airport Capital Improvement Plan (ACIP), a subgrant to complete the construction of the project in order to provide a useful and useable unit of work. The Sponsor also understands that if the FAA has provided federal funding to complete the design for the project, and the Sponsor has not completed the design within four (4) years from the execution of this subgrant agreement, the FAA may suspend or terminate subgrants related to the design.
All Sponsor Types	Force account	FORCE ACCOUNT: The Sponsor agrees that proposals to accomplish construction or engineering with the Sponsor's own personnel must receive approval from the FAA prior to Sponsor incurring costs and that no reimbursement payments will be made on that portion of this subgrant until the Sponsor has received FAA approval for the force account information.

All Sponsor Types	Land Acquisition - Revenue and Program Income	<u>PROGRAM INCOME AND REVENUE FROM REAL PROPERTY:</u> The Sponsor understands that all program income produced from real property purchased in part with Federal funds in this subgrant received while the subgrant is open will be deducted from the total cost of that project for determining the net costs on which the maximum United States' obligation will be based. The Sponsor further agrees that once the subgrant is closed, all net revenues produced from real property purchased in part with Federal funds in this subgrant must be used on the airport for airport planning, development, or operating expenses. This income may not be used for the Sponsor's matching share of any subgrant. The Sponsor's fiscal and accounting records must clearly identify actual sources and uses of these funds.
All Sponsor Types	Land acquisition - Relocation	<u>UNIFORM RELOCATION ACT:</u> The Sponsor understands and agrees that all acquisition of real property under this project will be in accordance with the 49 Code of Federal Regulations Part 24, Uniform Relocation Assistance And Real Property Acquisition For Federal And Federally Assisted Programs.
All Sponsor Types	Noise - mitigation	<u>INELIGIBILITY OF PREVIOUSLY INSULATED STRUCTURES:</u> The Sponsor understands and agrees that AIP funds may only be applied to noise insulate structures under 14 Code of Federal Regulations Part 150 one single time and that no structures in this subgrant have been previously noise insulated using AIP funds.
All Sponsor Types	Noise Mitigation – Private Land	<u>NOISE PROJECTS ON PRIVATELY OWNED PROPERTY:</u> The Sponsor understands and agrees that no payment will be made under the terms of this Subgrant Agreement for work accomplished on privately owned land until the Sponsor submits the agreement with the owner of the property required by the Subgrant Assurance Number 5: Preserving Rights and Powers, and the FAA has determined that the agreement is satisfactory. As a minimum, the agreement with the private owner must contain the following provisions: 1) The property owner must inspect and approve or disapprove the work on the project during and after completion of the measures as the FAA or Sponsor reasonably requests. 2) The property owner is responsible for maintenance and operation of the items installed, purchased, or constructed under this Subgrant Agreement. Neither the FAA nor the Sponsor bears any responsibility for the maintenance, operation, or replacement of these items.

		Sponsor will furnish a final scope of work to the FAA and that no work will commence, nor will there be any contract signed for accomplishment of such work, until the final scope of work has been approved by the FAA. The Sponsor and the FAA further agree that any reference to the scope of work made in the Subgrant Offer or in the project application is in respect to the final scope of work.
Airport - Non-primary	Fuel farms	FUELING SYSTEM – USE AND OPERATION REQUIREMENTS: This project includes the installation of a new aviation fuel system. All revenue generated by this fueling system must be used for the operation and maintenance of the Airport in accordance with the subgrant assurances. The fueling system established under this subgrant, will be operated solely by the Sponsor and/or the Sponsor’s employees. The Sponsor is further obligated to operate and maintain the fueling system for the 20-year subgrant expected life, including meeting all local, state, and federal regulations related to the fuel system.
Airport - Non-primary	Revenue Producing Project	REVENUE PRODUCING PROJECT: The Sponsor agrees and understands that the Sponsor has certified to the FAA that it has made adequate provisions for financing its airside needs. Further, the Sponsor agrees it will not seek AIP discretionary subgrant funds for the airside needs of the airport for the three fiscal years following the fiscal year in which this subgrant is issued. All revenue generated by this project must be used for the operation and maintenance of the Airport in accordance with the subgrant assurances.
Airport	Land Acquisition	LAND ACQUISITION: The Sponsor agrees that no payments will be made on the subgrant until the Sponsor has presented evidence to the FAA that it has recorded the subgrant agreement, including the subgrant assurances in the public land records of the county courthouse. The Sponsor understands and agrees that recording the subgrant agreement legally enforces these requirements, encumbrances and restrictions on the obligated land.

INSTRUCTIONS

PRIME CONSULTANT OR AUTHORIZED REPRESENTATIVE:

This statement reports the actual dollar amounts of the project cost earned by and paid to DBE subconsultants. Complete and submit to the Payment Analyst with each billing and within 20 days of receipt of final payment. Some forms may be blank if no payment was made since the previous billing.

For "Contract No., Authorization No.," and "Job No." as appropriate, use the numbers assigned by MOOT.

For "Period Covered," report the calendar days covered by the billing.

For "Services Work Performed" report the main service performed by the subconsultant during the reporting period.

For "Total Contract Amount" report the total amount of the contract between the prime consultant and the subconsultant.

For "Cumulative Dollar Value of Services Completed" report the total amount the subconsultant has earned since beginning this project.

For "Deductions," report deductions made by the prime consultant to the subconsultant's "Cumulative Dollar Value of Services Completed" for retainage, bond or other fees, materials, services or equipment provided to the subconsultant according to mutual, prior agreement (documentation of such agreement may be required by MDOT).

For "Actual Amount Paid to Date," report cumulative actual payments made to the subconsultant for services completed.

For "Actual Amount Paid During this Report Period" report actual payments made to the subcontractor for services during this reporting period.

"Provide "DBE Authorized Signature" for final payment only.

Be sure to sign, title and date this statement.

MDOT PAYMENT ANALYST:

Complete "Comments" if necessary, sign date and forward to the Office of Business Development within seven (7) days of receipt.

ASSURANCES AIRPORT SPONSORS

A. General.

1. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
3. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this Grant Agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.

The terms, conditions and assurances of this Grant Agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.

The preceding paragraph (1) also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor.

Unless otherwise specified in this Grant Agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 23, 25, 30, 32, 33, 34, and 37 in Section C apply to planning projects. The terms, conditions, and

assurances of this Grant Agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance, and use of Federal funds for this Grant including but not limited to the following:

FOOTNOTES TO ASSURANCE (C)(1)

¹ These laws do not apply to airport planning sponsors.

² These laws do not apply to private sponsors.

³ 2 CFR Part 200 contains requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation shall

apply where applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

- ⁴ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁵ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this Grant Agreement.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this Grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this Grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this Grant Agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this Grant Agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere

with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. Subject to the FAA Act of 2018, Public Law 115-254, Section 163, it will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this Grant Agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this Grant Agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this Grant Agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to ensure that the airport will be operated and maintained in accordance with Title 49, United States Code, the regulations and the terms, conditions and assurances in this Grant Agreement and shall ensure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance-Management.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under 49 U.S.C. § 44706, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this Grant, the total cost of the project in connection with which this Grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The

accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.

- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this Grant Agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor under 40 U.S.C. §§ 3141-3144, 3146, and 3147, Public Building, Property, and Works), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this Grant Agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in 49 U.S.C. § 47112. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this Grant Agreement, and, upon approval of the Secretary, shall be incorporated into this Grant Agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this Grant Agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state, and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for:
 1. Operating the airport's aeronautical facilities whenever required;
 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 3. Promptly notifying pilots of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or

facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to:
 - 1. Furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2. Charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
- d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable

classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.

- f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.
- g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for

which a Grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 1. If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 2. If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 3. Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at 49 U.S.C. § 47102), if the FAA determines the airport sponsor meets the requirements set forth in Section 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of 49 U.S.C. § 47107.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the

public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;

- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this Grant Agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that:

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary.

Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary:
 1. eliminate such adverse effect in a manner approved by the Secretary; or
 2. bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, color, and national origin (including limited English proficiency) in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4); creed and sex (including sexual orientation and gender identity) per 49 U.S.C. § 47123 and related requirements; age per the Age Discrimination Act of 1975 and related requirements; or disability per the Americans with Disabilities Act of 1990 and related requirements, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program and activity conducted with, or benefiting from, funds received from this Grant.

- a. Using the definitions of activity, facility, and program as found and defined in 49 CFR §§ 21.23(b) and 21.23(e), the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.
- b. Applicability
 - 1. Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor’s program or activities, these requirements extend to all of the sponsor’s programs and activities.
 - 2. Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 - 3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2. So long as the sponsor retains ownership or possession of the property.

d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this Grant Agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

“The (**[Selection Criteria: Sponsor Name]**), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.”

e. Required Contract Provisions.

- 1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation (DOT), and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.

2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a. For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.

If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development

project that would otherwise be eligible for grant funding or any permitted use of airport revenue.

- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a), (b), or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

If any phase of such project has received Federal funds under Chapter 471 subchapter 1 of Title 49 U.S.C., it will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services in the same manner as a contract for architectural and engineering services is negotiated under Chapter 11 of Title 40 U.S.C., or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this Grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by

the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out any project funded under an Airport Improvement Program Grant in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, current FAA Advisory Circulars (<https://www.faa.gov/airports/aip/media/aip-pfc-checklist.pdf>) for AIP projects as of [Selection Criteria: Project Application Date].

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C of 49 CFR Part 24 and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin, or sex, in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. § 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. §§ 3801-3809, 3812).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in 49 U.S.C. § 47102) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that:
 1. Describes the requests;
 2. Provides an explanation as to why the requests could not be accommodated; and
 3. Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.
