THIS AGREEMENT is made as of May 2, 2023 by and between **Columbia County, Georgia**, a political subdivision of the State of Georgia (the "County"), with an office at 630 Ronald Reagan Drive, Evans, Georgia, 30809, and **Peek Pavement Marking, LLC**, a GA Limited Liability Company, qualified to conduct business within the State of Georgia, with an office at P.O. Box 7337, Columbus, GA 31908 (the "Vendor").

### RECITALS:

The County desires to engage the Vendor to provide 2023 Safety Striping Project B to Columbia County, and the Vendor desires to accept such engagement, upon and subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the County and the Vendor hereby agree as follows:

### ARTICLE 1 ENGAGEMENT AND SCOPE

- 1.1 The County hereby engages the Vendor to provide 2023 Safety Striping Project B to Columbia County (the "Work") in accordance with the Contract Documents (defined in Section 4.1 hereof), including the Vendor's Scope of Work, (the "Proposal"), which is Exhibit "A" attached hereto and made a part hereof. In the event of conflicting specifications for the Work, the Request for Proposal shall govern. The Vendor hereby accepts such engagement, upon the terms and conditions hereinafter set forth.
- 1.2 The Vendor shall provide, furnish and perform all necessary labor and services (including equipment and supplies) and provide and furnish all necessary supplies, materials and equipment required to complete the Work in accordance with the Contract Documents. The type and quantity of service will correspond to the specifications in the Vendor's Proposal, which is Exhibit "A" (The "Proposal"), and attached hereto and made a part hereof. The Vendor hereby accepts such engagement, upon the terms and conditions hereinafter set forth.
- 1.3 If the Vendor is of the opinion that any service requested of it hereunder is beyond the Scope of the Work as provided in the Contract Documents, the Vendor shall promptly notify the County in writing of such opinion and the reasons for the same, with specific references to the Contract Documents. The County shall be the sole judge as to whether such service is beyond the Scope of the Work.
- 1.4 No additional services beyond the Scope of the Work as provided in the Contract Documents shall be performed by the Vendor unless the County shall, in writing, have specifically directed such services to be performed, and a Change Order (hereafter defined) shall have been signed by the County and the Vendor. In the event of non-compliance with the foregoing, the Vendor shall neither have nor make any claim for additional compensation by reason of a claim for additional services.
- 1.5 The term "Change Order" as used herein is a written order to the Vendor, issued and signed by the County after execution of this Agreement, authorizing a change in the Work or an adjustment in the Contract Price (hereafter defined) or the Term (hereafter defined). Unless the Vendor requests a modification in such Change Order, the Vendor shall sign the Change Order and return a copy thereof to the County within ten (10) business days after it has received the same. The Vendor shall have ten (10) business days from its receipt of a Change Order within which to request a modification thereto. Failure of Vendor to respond to a Change Order within such ten (10) day period shall be deemed to signify Vendor's acceptance of such Change Order as if Vendor had signed the same without modification. If Vendor requests a modification of a Change Order, County shall have ten (10) business days from receipt of such request to accept such modification in writing. If not so accepted, such request is deemed to be rejected.

**ARTICLE 2  
TERM AND FORCE MAJEURE**

- 2.1 If the Vendor is delayed at any time in the progress of the Work by labor disputes, fire, adverse weather conditions not reasonably anticipated, unavoidable casualties, or any other causes beyond the Vendor's control and without the fault or negligence of Vendor, the Vendor shall prepare and submit to County within five (5) calendar days of the occurrence a written report of its assessment of the occurrence and any proposed amendment to the Term. The Vendor shall proceed with due diligence to alleviate any such delay and shall continue in the performance of its obligations hereunder. The County may determine, in its sole discretion, after the receipt of such notice of delay from the Vendor, whether to terminate this Agreement in accordance with Article 12 hereof or extend the Term by Change Order for such time as the County may determine.
- 2.2 The term of this Agreement shall commence on May 2, 2023 and terminate upon completion of the work as show in SOW, Exhibit "A", subject to Owner's right to terminate this Agreement, if for any reason the Owner is dissatisfied with the Vendor's performance. Termination rights shall be governed by Section 12 of this Agreement.

**ARTICLE 3  
COMPENSATION AND METHOD OF PAYMENT**

- 3.1 County shall pay Vendor a fee for completion of the Work determined in accordance with Section 3.2. The fee payable to the Vendor hereunder, as stated on the Proposal (Exhibit "A") shall correspond to the invoices of completed work, and will not exceed the amount quoted on Exhibit "A", unless Vendor requests and County authorizes in writing an increased amount.
- 3.2 Vendor shall submit an invoice based on the satisfactory completion of each phase of the Work outlined in the Vendor's Proposal provided. The review and acceptance of or notice of defects in the work performed will not exceed 30 days from receipt of said work. The invoice shall list the charges for each task or portion of the Work performed.
- 3.3 County shall pay the full amount of an invoice in accordance with the Georgia Prompt Pay Act after receipt of the invoice and accompanying financial report, prepared as described herein. If, however, County objects to all or any portion of any invoice, County shall so notify Vendor of the same, stating the reasons for the objection. County shall be entitled to withhold payment of any amounts in dispute, but shall make payments on amounts not in dispute. The parties shall immediately make every effort to settle any disputed portion of the invoice. If Vendor does not make an effort to correct deficiencies, the amount deducted from the invoice will correspond to the amount as explained in the Performance Measure section of the Vendors Proposal, Exhibit "A".

**ARTICLE 4  
CONTRACT DOCUMENTS**

- 4.1 The Contract Documents consist of this Agreement, the specifications stated in the Vendors Proposal, the attached Exhibit(s), all Amendments, and all accepted Change Orders. The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work. The Contract Documents are complementary, and what is required by any one shall be deemed to be required by all; provided however, if there is any conflict between the terms of this Agreement and any of the other Contract Documents, the terms of this Agreement shall control.

**ARTICLE 5  
COUNTY'S RESPONSIBILITIES**

- 5.1 The County shall direct its officers, agents and employees to render all reasonable assistance and provide available data to the Vendor in connection with its performance of the Work under this Agreement. The Vendor shall have the duty to make independent inquiry as to the correctness of such data. The County agrees to furnish to the Vendor copies of any previous reports, data and drawings, which may be available and are pertinent to the Work. All such data provided shall remain the property of the County and shall be returned to the County upon termination of this Agreement.

**ARTICLE 6  
VENDOR'S REPRESENTATIONS, WARRANTIES AND RESPONSIBILITIES**

- 6.1 The Vendor represents and warrants to the County that it has the authority to enter into this Agreement and to perform the Work, and that it is licensed and authorized to conduct business in the State of Georgia. The Vendor further represents and warrants that all Work performed by it hereunder (a) will be in conformance with the terms of the Contract Documents; (b) will be performed in a skillful and workmanlike manner; (c) will be performed by the proper number of experienced, skilled personnel, qualified by education or experience to perform their assigned tasks; and (d) will conform to the standard of care, skill and diligence according to the standards of the industry.
- 6.2 The Vendor shall at all times enforce strict discipline and good order among its employees and any subcontractors and shall not employ for the Work (i) any person, firm or corporation not skilled and licensed, if required, in the task assigned to him, or (ii) anyone who might endanger himself, others or the project. The Vendor shall be responsible to the County for the acts and omissions of its employees, agents, subcontractors and other persons performing any of the Work for the Vendor. The County reserves the absolute right to require the immediate removal of any such unskilled, untrained, or unfit person, firm, or corporation from participation in the Work.
- 6.3 Indemnity. Indemnification/Duty to Defend. During and after the term hereof, Vendor agrees to indemnify and hold harmless the County for all personal injuries, deaths, property loss or damage, or any other damages to any and all third parties, from any and all causes of action, claims, loss or damages, including reasonable attorney's fees incurred in connection therewith, resulting to the County from any acts of the Vendor, its directors, officers, agents, or independent contractors in the performance of this Agreement. Upon written request by County, Vendor shall defend and provide legal representation for any claims arising out of this Agreement due to the actions or inactions of the Vendor or its employees or agents, by attorneys and other professionals approved by County. Notwithstanding the foregoing, County may, in its sole discretion, engage its own attorneys and other professionals to defend or assist them with respect to such matters, and, at the option of County, its attorneys shall control the resolution of such matters. Upon demand, Vendor shall pay or, in the sole and absolute discretion of the County, reimburse the County for the payment of reasonable fees and disbursements of attorneys and other professionals in connection therewith. This indemnity obligation does not include liabilities caused by or resulting from the sole negligence of County.
- 6.4 The Vendor shall guarantee all work performed under this contract against defective workmanship or materials, and shall replace all such defective work, materials, or equipment furnished by the Vendor, for a period of two years from the date of final acceptance of the work, unless a longer period is otherwise provided for within the contract documents.

**ARTICLE 7  
SUBCONTRACTS**

- 7.1 A subcontractor is a person or entity who provides services or performs Work for the Vendor or for a subcontractor of Vendor. The Vendor shall not employ any subcontractor without the prior written consent of the County and shall obtain a written agreement with each subcontractor. As between the

County and the Vendor, the Vendor shall be responsible for the acts and omissions of its subcontractors and any portion of the Work performed by a subcontractor. The County may make reasonable requests for information and data concerning any and all subcontractors under this Agreement, and any other matter deemed by the County to be pertinent hereto, and the Vendor hereby agrees to submit such information and data promptly upon request.

## **ARTICLE 8 PROTECTION OF PERSONS AND PROPERTY**

- 8.1 Vendor agrees to advise fully all of its employees, subcontractors and others working for the Vendor concerning environmental, safety and health procedures required by applicable state or federal law, regulation or order or required by the County; and to take the steps necessary to assure that such procedures are complied with.

- 9.1 The Vendor agrees at all times during the Term of this Agreement to maintain in full force and effect the following insurance coverages in at least the limits set forth in Section 9.2: Worker's Compensation (including occupational disease in accordance with applicable statutory and regulatory requirements); Employer's liability insurance (including coverage on all of Vendor's employees engaged in the performance of the Work); and Comprehensive General Liability insurance (including protective liability covering death or bodily injury and contractual liability). Before commencement of any of the Work hereunder, the Vendor agrees to furnish to the County, on an annual renewal basis, certificates of insurance or other evidence satisfactory to the County to the effect that such insurance has been procured and is in force. The certificates shall accurately reflect the required insurance coverages, including any and all limitations, exclusions and restrictions, and provide that in the event of cancellation or material change in a policy affecting the certificate holder, thirty (30) days prior written notice shall be given to the County.
- 9.2 For the purpose of this Agreement, Vendor shall not commence Work under this Agreement until they have obtained all the insurance required under this paragraph and such insurance has been approved by the County, nor shall Vendor allow anyone acting on their behalf to commence work pursuant to this Agreement until all similar insurance has been so obtained and approved from said person/entity.

The amount of such insurance shall be as follows:
    - i. Public Liability and Property Damage Liability Insurance: Vendor shall carry, with respect to the operations they perform, regular Contractor's Public Liability Insurance providing for a limit of not less than one million dollars (\$1,000,000) for all damage arising out of bodily injuries to or death of one person, and subject to that limit for each person a total of two million dollars (\$2,000,000) for all damage arising out of bodily injuries to or death of two or more persons in any one accident and regular Contractor's Property Damage

- ii. Automobile Liability Insurance (owned, non-owned, hired): (a) Bodily injury in an amount not less than one million dollars (\$1,000,000) including accidental death to any one person and subject to the same limit for each person, in an amount not less than two million dollars (\$2,000,000) on account of one accident. (b) Property damage in an aggregate amount up to two million dollars (\$2,000,000) per accident during the Policy Period.

Vendor shall likewise furnish County with a certified endorsement(s) indicating that the County is an additional insured under all relevant policies and showing that said policies may not be modified or cancelled without thirty (30) days written notice to County. All of the insurance hereinbefore specified by Article 2 shall be carried until all work required to be performed under the terms of the Agreement is satisfactorily completed as evidenced by the formal acceptance by County. Should such insurance be canceled before such completion of the Agreement, Vendor shall suspend all work or operations until such time as Vendor shall provide another policy or policies of insurance of equivalent coverage or effect. The certificate holder should read: Columbia County, GA, Attn: Procurement Department, P O Box 498, Evans, GA 30809.

#### **ARTICLE 10 PATENTS, PUBLICATIONS AND TRADE SECRETS**

- 10.1 Vendor agrees that it will not at any time, either while engaged hereunder by County or afterwards, make any outside use of, or disclose to any other person or organization, except as authorized in writing by County, any information, whether patentable or not, regarding plans, programs, facilities, designs, processes, products, costs, equipment, operations or customers of County which comes within the knowledge of Vendor in the performance of the Work hereunder.
- 10.2 In the event Vendor creates and desires to publish, produce or use for itself or others, any writings, drawings, photographs or computer software which relates to the business or activities of the County or which contains information received as a result of the Work performed for County by Vendor, a draft manuscript or printout must be provided to County by Vendor prior to publication, production or use. Under no circumstances will any publication, production or use by Vendor relating to the business or activities of County or performance of the Work of the Vendor hereunder be allowed without prior written consent of County. Vendor also agrees that any manuscript, article, book, pamphlet, advertisement, drawing, photograph or computer software produced for County by Vendor is to be deemed “work for hire” for which County is entitled to all copyrights and other benefits thereunder.

Vendor will not, during or after the term of this Agreement, use or disclose any of such confidential information to any person, firm, corporation, association or other entity, except to authorized representatives of the County and Affiliated Entities, for any reason or purpose whatsoever,

other than in furtherance of this Agreement. In the event of a breach or threatened breach by Vendor of the provisions of this Article 11, the County, and Affiliated Entities, shall be entitled to a temporary restraining order and/or a preliminary injunction restraining Vendor from using or disclosing, in whole or in part, such confidential information, and Vendor consents to the entry of such a temporary restraining order and/or preliminary injunction without the necessity of County posting any bond in connection therewith, and agrees that it shall not assert any defenses to any petition filed by County in a court of competent jurisdiction requesting such temporary restraining order and/or preliminary injunction, as the case may be. Nothing herein shall be construed as prohibiting the County, and Affiliated Entities, from pursuing any other remedies available to them for such breach or threatened breach, including the recovery of damages from Vendor.

The obligations of this Article 11 do not apply to information which:

- a. is or becomes part of the public domain without the breach of any obligation of confidentiality owed to the County or the Affiliated Entities; or

- a. If applicable, all drawings, documents, reports and all other work relating in any way to any portion of the Work. All Work remains the property of the County and may not be used by the Vendor, except by written agreement of the County, on any other project or for any other person, firm or corporation. Should Vendor refuse to deliver any work, the County is authorized to employ another firm to complete the contract at the expense of Vendor.

## **ARTICLE 13 UNAUTHORIZED ACTS**

- 13.3 Vendor agrees to disclose honestly and fully all information and documentation in its possession concerning all transactions or events relating to or affecting the County or Affiliated Entities as and to the extent such information or documentation (i) was acquired or developed by Vendor during its engagement under this Agreement, and (ii) is requested by the County or the authorized representative thereof; provided, that if the Vendor indicates that the information or documentation requested is privileged, confidential or personally sensitive, appropriate steps will be taken to protect such privilege, confidentiality or privacy to the extent possible consistent with the ethical and legal obligations applicable to the Vendor, but such claim of privilege, confidentiality or sensitivity shall not diminish the unconditional obligation to disclose any such information or documentation to the County or its authorized representatives.

- 13.4 Vendor shall, at the request of County, render a certificate or sworn affidavit to County stating that Vendor has not violated any of the terms of this Article 14.

#### **ARTICLE 14 NOTICES**
