NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. <u>Sublease and Transfer</u>. Company does hereby sublease and convey to Issuer, and Issuer hereby accepts, all of the Company's rights and none of its obligations under the Project Site Lease, upon the terms and conditions provided herein. No rent payments will be payable by Issuer to Company or to any other party.

2. <u>Term</u>. This Agreement will terminate when the Bond Lease Terminates.

3. Limitation of Issuer Liability. The parties to this Agreement acknowledge that the Company retains all of its obligations under the Project Site Lease, any easement, right-of-way, or other fractional property interests related to the Project Property and subleased hereby or to be subleased, and the Company agrees to perform and discharge timely and in full all of its duties, obligations and liabilities under the Project Site Lease during the term of this Agreement. The Company hereby agrees to defend, indemnify and hold harmless the Issuer, members of the Board of County Commissioners of McKinley County, New Mexico (the "Governing Body"), and officials, employees and agents of the Issuer, against any claims, costs, liabilities and expenses, including reasonable attorney's fees and court costs, arising out of or related to this Agreement, the Project Site Lease, the Project Site, including, but not limited to suits, legal or administrative proceedings, liabilities, damages, claims, costs and expenses resulting from or in any way connected with the presence, release or disposal in or under the Project Site of, any hazardous substances (as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended), hazardous wastes (as defined in Resource Conservation and Recovery Act of 1976, as amended) or other materials or substances within the meaning of any applicable law, statute, ordinance, regulation, order or rule relating to or imposing liability or standards of conduct concerning any hazardous, toxic or dangerous waste, substance or materials brought on the Project Site by the Company or any equipment or improvements located on or used in connection with the Project Site by the Company. The insurance maintained by Company pursuant to the Bond Lease shall be available if necessary for purposes of indemnification of the Issuer under this Agreement, but the amount of such insurance does not limit any liability of the Company hereunder.

The Company represents and warrants to the Issuer that Company is the tenant under the Project Site Lease and has the capacity to enter into this Agreement with Issuer. The sublease effected under this Agreement is either permitted under the Project Site Lease without the consent of the landlord or, if landlord

9. This Agreement may be executed in as many counterparts as may be deemed necessary and convenient, and by the different parties hereto on separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same instrument.
