**Why are you interested in volunteering for the Essex Free Library Board of Trustees?\***

I am recently retired and feel that I have the time and commitment to give to the library. I have also been the chair of this board for the last several years and feel that with Caitlin out on leave and new town officers that a thread of consistency would be valuable.

**Do you have any personal aspirations that could be enhanced by your service on this board?\***

I was an elementary school teacher and worked at the elementary school library for several years. I understand and appreciate the changes that must take place to keep our library the valuable asset that it is.

**Do you have any special skills, expertise, connections, or experience that you believe could be beneficial to the work of the board?\***

I know everybody. And I do not have an agenda except to help support the needs and desires of our community .
