

NATIONAL PUBLIC WORKS WEEK PROCLAMATION – 2022
May 15 – May 21, 2022

Whereas, public works professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and the public health, high quality of life, and well-being of the people of the Town of Firestone; and,

Whereas, these infrastructures, facilities, and services could not be provided without the dedicated efforts of public works professionals, who are federally mandated first responders, and the engineers, managers, and employees at all levels of government and the private sector, who are responsible for rebuilding, improving, and protecting our nation's transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens; and,

Whereas, the year 2022 marks the 62nd annual National Public Works Week sponsored by the American Public Works Association/Canadian Public Works Association; and,

Now, Therefore, I, Drew Peterson, Mayor, do hereby designate the week May 15–21, 2022, as National Public Works Week; I urge all citizens to pay tribute to our public works professionals, engineers, managers, and employees and to recognize the substantial contributions they make to protecting our national health, safety, and quality of life.

Drew Peterson, Mayor
