A map of the Property is herein attached as EXHIBIT A; a legal description of the Property is herein attached as EXHIBIT B.

C. Developer intends to complete a Project, which includes the following:

D. As of January 1, 2021, the Property has an aggregate assessed value of zero dollars (0.00), which based on the assessed tax rates in effect as of January 1, 2021, the Property yields approximately:

I. Zero Dollars (\$0.00) in total real estate taxes annually (assessed mill rate of \$24.62);

2. Zero dollars (\$0.00) in real estate taxes to the local taxing jurisdictions (total real estate taxes less real estate taxes to the State of Wisconsin) annually (assessed mill rate of \$24.62); and

 3. Two hundred and thirteen thousand eight hundred and forty (\$213,840) in real estate taxes to the City of Green Bay annually (assessed mill rate of \$9.72).

The City Assessor or his/her designee may not use this Agreement or any provisions herein as the sole basis to determine the value of the Project.

- F. Pursuant to the provisions of §66.1105, Wis. Stats. (the "Tax Increment Law"), The Property is within one-half (1/2) mile of Tax Increment District Number 13 ("TID 13" or the "TID") which will provide part of the financing for certain costs of the project. The RDA and the City will ask the Joint Review Board (JRB) to create a new conservation and rehabilitation or blight Tax Increment District (the TID), effective January 1, 2022, which includes the Property and may include adjacent property, and which will provide part of the financing for certain costs of the Project, and after creation, shall replace all references to the "TID."
- G. Developer has requested Tax Incremental Finance ("TIF") assistance from the City and RDA with regard to certain expenses, including, but not limited to environmental remediation; demolition, remodeling, repair or reconstruction of existing buildings; clearing of land; construction of new buildings; or the construction of public works infrastructure, which will constitute qualified expenditures for which TIF assistance may be afforded Developer.
- H. The City and RDA desire to have Developer perform the Project in order to generate economic activity and tax base for the community consistent with the City Comprehensive Plan.
- I. In order to induce Developer to undertake the Project, such that it will bring a full-service grocery store into a federally-designated food desert; build new structures for individuals of all ages and abilities; be located in a place easy to reach on foot, bicycle, or transit; generate job opportunities for individuals of all ages, abilities, and incomes; build new structures with high-performance designs, systems, and finishes; create a significantly higher per acre property value than adjacent properties and the City average; generate property taxes greater than the cost of providing infrastructure and services; remediate environmental contamination and/or enhance the physical (soil, water, air) landscape; expand our range of residential and commercial real estate products; be designed and built with options for conversion to alternative uses in the future; create and/or enhance unique public spaces, amenities, and art; and the public will generally benefit, the City has agreed to provide assistance to Developer as provided by this Agreement, all in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

I. PURPOSE

- A. Incorporation of Proceedings, Exhibits, and Recitals. All motions adopted, approvals granted, minutes documenting such motions and approvals, and plans and specifications submitted in conjunction with any and all approvals as granted by the City or RDA, including but not limited to adopted or approved plans or specifications on file with the City or RDA, along with all of the Recitals set forth above, shall be incorporated into this Agreement by reference, upon attachment, or upon consent by amendment if necessary if not referenced or attached at the time of execution of this Agreement.
- B. Implementation Schedule. TIME IS OF THE ESSENCE with regard to all dates and time periods set forth and/or incorporated herein. Any material modification or deviation from an approved schedule described in this Agreement shall occur only upon approval of the City and RDA, with any such approvals required to be in writing as an amendment to this Agreement, and which approvals shall not be unreasonably withheld. City shall cooperate and act promptly with respect to any and all permits or approvals necessary for completion of the Project. Notwithstanding the above, this Agreement shall not limit the discretion of the City, or any of its duly appointed and authorized governing bodies, boards or entities, in approving or rejecting any aspect of the Project or improvements contemplated on or about the Property.
- C. Entire Agreement. This writing including all Exhibits hereto, and the other documents and agreements referenced herein, constitutes the entire Agreement between the parties hereto in respect to the Project and all prior letters of intent or offers, if any, are hereby terminated. This Agreement shall be deemed to include and incorporate such minutes, approvals, plans, and specifications, as referenced in this Agreement, and in the event of a conflict between this Agreement and any action of the City or RDA, granting approvals or conditions attendant with such approval, the terms of this Agreement shall be deemed controlling and the City and RDA will take the necessary action to amend any conflicting approvals or conditions.
- D. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base within the City, the City intends to provide the TIF Incentives as set forth in this Agreement. The City intends to recover its costs through the Available Tax Increment generated by the Property. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed.

- A. Qualification for TIF. Developer shall demonstrate to the satisfaction of City and RDA a need for TIF, with such determination to be made according to the “but for” test, that is, that but for the City and RDA providing TIF, the Project would not happen. At the request of the City or RDA, Developer shall provide an independent analysis from a consultant expert in TIF to justify to the satisfaction of the City and RDA the Developer’s qualification and need for TIF, both in terms of Qualified Expenditures and the amount of money to be paid to Developer.
- B. Nature of TIF Incentive. The TIF Incentive available to Developer under this Agreement shall be defined as the following:

- I. Property Transfer. The City and/or RDA shall convey the Property to the Developer by January 1, 2022 through the following process:
 - a) The City and/or RDA shall convey the Property excluding all City and/or RDA parcels or right-of way, to Developer, free and clear of liens and encumbrances that materially prohibit development of the Property as herein proposed, via warranty deed, for the sum of one dollar (\$1.00), and shall provide an owner's policy of title insurance at the time of conveyance. The City and/or RDA shall provide a copy of any existing title work for the Property to the Developer upon execution of this agreement. All future title work will be completed by the Developer's selected title company.
 - b) The Developer shall prepare and obtain approvals for a CSM, for which desired parcel boundaries are herein attached on the Preliminary Concept Plan (EXHIBIT C),
 - c) Upon recording of such CSM with the Brown County Register of Deeds, all references to Property shall include all such new parcels created through the actions of this Section III. B. I.
 - d) The RDA shall take a Preferred Forgivable Equity Investment in the Project of one million, two hundred thousand dollars (\$1,200,000.00), which is the estimated value of the real estate that will be transferred to the Developer. The Preferred Forgivable Equity Investment shall be secured by this Agreement, shall survive the expiration of this Agreement, and shall be forgiven when the aggregate assessed value of the Property is greater than or equal to Six Million (\$6,000,000.00). Should the aggregate assessed value of the Property fail to be greater than or equal to million dollars (\$6,000,000.00) prior to January 1, 2025, the Developer shall pay the City and/or RDA the Preferred Forgivable Equity Investment.
 - e) The date of conveyance may be changed subject to the Developer's closing of financing for the project but shall be completed by no later than December 31, 2022.
 - f) Prior to conveyance of the property, the City and/or RDA shall provide Developer access to the site for purposes of conducting a survey of the site, soil borings, or other requirements of the Developer to complete their due diligence for the site. The Developer shall provide 48-hour notice to any such activities to the Community & Economic Development Director.
 - g) The Developer shall provide the City with 45 days advance notice of their intention to close to allow the City to notify any active lease holders on the property.
2. PAYGo Reimbursement. The City shall provide an additional TIF Incentive as a pay-as-you-go (PAYGo) obligation of the City, which is further defined as follows:
 - a) The Developer guarantees that the Property shall have a minimum aggregate assessed value of seventeen million six hundred thousand dollars (\$17,600,000.00) on or before January 1, 2023.
 - b) Developer shall be responsible to incur and pay all of the upfront costs of the Project and, to the extent TID revenues are sufficient to the limits of the TID and this Agreement, Qualified Expenditures shall be reimbursed to Developer.

- c) Commencing the first year after the first occupancy permit for the Project has been issued, the assessed value of the Property shall be determined on January 1 of each tax year and shall be compared to the assessed value of the Property as of January 1 of the year in which construction commenced. The difference in assessed values shall be known as the Incremental Property Value.
 - d) Incremental Property Value multiplied by the assessed mill rate, less payments of real estate taxes to the State of Wisconsin, shall be known as the Available TIF Increment.
 - e) The City shall first use the Available TIF Increment to cover one hundred five percent (105%) of an annual debt service obligation of one million, two hundred thousand dollars (\$1,200,000.00), of which such funds were used to acquire the Property prior to the execution of this Agreement. Should the annual debt service payment not consume all of the Available TIF Increment, the City shall make available not more than eighty percent (80%) of the remaining TIF Increment to the Developer.
 - f) Provided the aggregate assessed Property value meets or exceeds twenty-two million, (\$22,000,000) on or before January 1, 2026, the City shall make available eighty percent (80%) of the remaining TIF Increment to the Developer until all Qualified Expenditures have been repaid. Developer shall not be entitled to any TIF Increment unless the aggregate assessed Property value meets or exceeds seventeen million six hundred thousand dollars (\$17,600,000.00). In the event the aggregate assessed Property value is between seventeen million six hundred thousand dollars (\$17,600,000.00) and twenty-two million (\$22,000,000.00) on or before January 1, 2026, the City shall prorate the remaining TIF Increment available to the Developer, based on a percentage of fifty-six percent (64%) for an amount equal to seventeen million six hundred thousand dollars (\$17,600,000.00), and eighty percent (80%) for an amount equal to twenty two million (\$22,000,000.00). For example, if the aggregate assessed Property value is nineteen million eight hundred thousand (\$19,800,000) on January 1, 2026, the City shall make available sixty-three percent (72%) of the remaining TIF Increment to Developer.
 - g) PAYGo Reimbursement payments will be payable to Developer in the year following the year of the TIF Increment determination, after Developer has provided proof to the City of the full payment of the real estate taxes, special assessments and special charges against the Real Estate for the previous year. For example, if the first occupancy permit is issued on September 1, 2023, the TIF Increment would be determined as of January 1, 2024 and the PAYGo reimbursement would first be payable in 2025.
3. Qualified Expenditures. Project Grant(s) shall be disbursed in the following priority, and only fund:
- a) Public Improvements, if applicable, as defined in Section II. N., and environmental remediation, and asbestos abatement as required by State and Federal law; then
 - b) "Private Improvements" specifically approved by the City or RDA as stated in Section IV. C.; then
 - c) Any other activity specifically approved by the City or RDA.

4. Assignment. Developer may assign any of its payment rights hereunder to any future purchaser or developer of any part of the Property upon approval of the RDA, provided however, that the City shall be obligated only to disburse TIF Incentives to the party with whom the City has an agreement. It shall be incumbent upon Developer to enter into a separate agreement with any third parties if it intends to assign its payment rights hereunder, or seek either reimbursement or allocation of any Incremental Property Value and guaranteed aggregate assessed value generated by any third party purchaser and/or developer of any part of the Property.

C. Limitations. The TIF Incentive available to Developer for the Project is limited as follows:

1. Monetary Limitation. The TIF Incentive in any year shall not exceed seventy percent (70%) of the Available Tax Increment for the Property.
2. Tax Incentive Cap. The City shall not be obligated to pay TIF Incentive in excess of the lesser of the total amount of Qualified Expenses incurred and paid by Developer.
3. Tax Receipts Limitation. Only the Available Tax Increment actually received by the City, and no other property, revenue, or asset of the City, shall be used to pay such amounts.
4. Temporal Limitation. Provided Developer qualifies for TIF Incentive and provides adequate proof to the City and RDA that Developer has incurred and paid Qualified Expenditures, and provided Developer and all transferees have paid the real estate taxes and any Special Assessments and Special Charges in full for the previous tax year by July 31, TIF Incentive payments shall be made on or before September 1 of each year; provided, however, in no event shall TIF Incentive payments continue after the earlier of the termination date of the TID or the termination of this Agreement if before the termination of the TID.

D. No General Obligation of City. The City's obligation to make TIF Incentive payments shall be a special and limited obligation only and shall not be considered a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of such amounts. The City shall take no action to dissolve the TID before payment of all TIF Incentive payments due to the Developer, subject to the provisions of this Agreement. In no circumstances shall amounts to be paid Developer hereunder be considered an indebtedness of the City, and the obligation of the City hereunder is limited to the Available Tax Increment appropriated and received by the City. Amounts due hereunder shall not count against the City's constitutional debt limitation, and no taxes will be levied for its payment or pledged to its payment other than from the Available Tax Increment.

E. Other Grants and Credits. The City and RDA, as appropriate and in its sole discretion, may also apply for such other grants and credits in regard to the Project as they shall deem appropriate for the benefit of the Project and as may be required to achieve necessary financing for the Project, provided, however, the City and RDA make no representations or warranties about the availability of such grants and credits or whether any such grants or credits that may be available will be awarded.

Prior to the closure of the TID, the Property shall not be sold, transferred or conveyed to, leased, or owned by any entity or used in any manner that would render any part of the Project Property exempt from taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement with the City and RDA in a form satisfactory to the City providing for acceptable payments to the City in lieu of taxes.
 3. Right of First Offer. Developer shall not sell, trade, grant, or encumber the Property, except as specifically provided herein. Should Developer not complete elements of the Project as defined herein, Developer shall provide City and/or RDA the exclusive right, for a period not to exceed ninety (90) days, to purchase an undeveloped or underdeveloped portion of the Property. The purchase price shall be equivalent to the Assessed Value of the land, as determined by the City Assessor.
- Q. Easements. Developer shall grant to the City such easements as are reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or landscaping or any other access necessary to effectuate this Agreement. Developer shall cause existing easements to be relocated or terminated to accommodate the Project.
- R. Environmental.
1. Presence of Hazardous Materials and Compliance with Environmental Laws. Before commencement of the First Phase, Developer shall be satisfied, through such means as are commercially reasonable, that the Property is free of Hazardous Materials or that any Hazardous Materials on or within the Property are being stored and handled in strict compliance with all Environmental Laws. Developer shall provide the City and RDA with copies of all environmental reports pertaining to the Property no later than ten (10) days after receiving the same.
 2. Developer's Environmental Indemnification. Developer shall indemnify, pay on behalf of, defend and hold the City, the RDA, and their respective agents, officials, employees, representatives, successors and assigns, harmless from and against any loss, damage, claim,

fine, penalty, assessment, liability, or other charge or claim, and all costs (including, without limitation, reasonable legal, accounting, consulting, engineering, and similar expenses incurred with respect to such matter and/or incurred in enforcing this indemnity):

- a) Arising from the actual existence, treatment, deposit, release, storage, or disposal of any Hazardous Materials on, within or about the Property; or
- b) Arising from the breach of any warranty, covenant or representation of Developer to the City or RDA, or any other obligation of Developer to the City or RDA regarding Hazardous Materials under this Agreement.

3. Hazardous Materials Defined. As used herein, the term “Hazardous Materials” means:

- a) Hazardous wastes, hazardous substances, hazardous constituents, toxic substances or related materials, whether solids, liquids or gases, including but not limited to substances defined as “hazardous wastes,” “hazardous substances,” “toxic substances,” “pollutants,” “contaminants,” “radioactive materials,” or other similar designations in, or otherwise subject to regulation under, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. 9601 et seq.; the Toxic Substance Control Act, 15 U.S.C. 2601 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. 1802; the Resource Conservation and Recovery Act, 42 U.S.C. 9601. et seq.; the Clean Water Act, 33 U.S.C. 1251; the Safe Drinking Water Act, 42 U.S.C. 300f et seq.; the Clean Air Act, 42 U.S.C. 7401 et seq.; and in any permits, licenses, approvals, plans, rules, regulations or ordinances adopted, or other criteria and guidelines promulgated pursuant to the preceding laws or other similar federal, state or local laws, regulations, rules or ordinances now or hereafter in effect relating to environmental matters (collectively, “Environmental Laws”); and
- b) Any other substances, constituents or wastes subject to any applicable federal, state or local law, regulation or ordinance, including any Environmental Law, now or hereafter in effect, including but not limited to: petroleum, refined petroleum products, waste oil, waste aviation or motor vehicle fuel, and asbestos containing materials.

4. Survival. The provisions of this Section shall survive the conveyance to Developer of any City and/or RDA Property.

5. Insurance. Before commencement of construction activities on the Property, Developer shall deliver to the City and RDA certificates of insurance, copies of endorsements, and other evidence of insurance requested by the City or RDA, which Developer is required to purchase and maintain, or cause to be purchased or obtained, in the types and amounts of coverage listed below, each of which shall name the City and RDA as additional insured parties:

I. Workers Compensation and Related Coverage. Coverage for state and federal workers compensation shall be defined by state and federal statute. The amounts of employer’s liability coverage shall be in not less than the following limits:

- a) Bodily Injury by Accident – one hundred thousand dollars (\$100,000.00) per accident;
- b) Bodily Injury by Disease – one hundred thousand dollars (\$100,000.00) per employee; and

- c) Five hundred thousand dollars (\$500,000.00) policy limit.
2. Waiver of Workers Compensation Subrogation. The workers' compensation policy is to be endorsed with a waiver of subrogation. The insurance company, in its endorsement, agrees to waive all rights of subrogation against the City, RDA, its officers, officials, employees, and volunteers for losses paid under the terms of the policy that arises from the work performed by the names insured for or on behalf of the City or RDA.
3. Comprehensive General Liability Insurance. Coverage shall be written on a commercial general liability form, and shall protect Developer and any subcontractor during the performance of work covered by this Agreement from claims or damages for personal injury, including accidental death, as well as claims for property damages which may arise from operation under this Agreement, whether such operations be by Developer, any subcontractor, or anyone directly or indirectly employed by either of them in such manner as to impose liability on the City or RDA. The amounts of such insurance shall be not less than the following limits:
 - a) General Aggregate Limit – two million dollars (\$2,000,000.00); Personal and Advertising Injury Limit (per person/organization) – two million dollars (\$2,000,000.00);
 - b) Bodily Injury and Property Damage – two million dollars (\$2,000,000.00) per occurrence;
 - c) Fire Legal Liability Damage Limit – one hundred thousand dollars (\$100,000.00) per occurrence; and
 - d) Medical Expense Limit – ten thousand dollars (\$10,000.00) per person.
4. Comprehensive Automobile Liability and Property Damage. Coverage shall protect Developer and any subcontractor during the performance of work covered by this Agreement from claims or damages associated with operations of owned, hired, and non- owned motor vehicles. The amounts of such insurance shall be not less than the following limits:
 - a) Bodily Injury – two hundred fifty thousand dollars (\$250,000.00) per person; and
 - b) One million dollars (\$1,000,000.00) per occurrence; and Property Damage – two hundred fifty thousand dollars (\$250,000.00) per occurrence.
5. Umbrella Coverage. Coverage shall protect Developer and any subcontractor during the performance of work covered by this Agreement with limits of one million dollars (\$1,000,000.00) for bodily injury, personal injury, and property damage on a combined basis with the stated underlying limits of Paragraphs IV. S. 1. to IV S. 3. above.
6. Builder's Risk Insurance. Before commencing construction of any improvements on the Property and during any construction activities contemplated by this Agreement, Developer shall obtain and keep in full force and effect and all builders risk insurance policy for all portions of the Property with coverage equal to the total amount of the construction contracts for all such construction activities. Nothing in this Agreement is intended to relieve Developer of its obligation to perform under this Agreement and, in the event of loss, Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.

7. Fire and Casualty Insurance. Developer shall obtain and keep in full force adequate fire and casualty insurance with coverage in an amount equal to the assessed value of such improvements. In the event of loss the Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.

T. General Indemnity.

1. Protection Against Losses. Developer shall indemnify, defend and hold harmless the City, RDA, and their respective officers, employees, agents, attorneys, insurers and the successors and assigns of all of the foregoing, from any and all liabilities, claims, losses, damages, judgments or awards, costs or expenses, including reasonable attorneys' fees, of whatsoever nature and by whomsoever asserted, whether asserted by a third party or by a party to this Agreement (hereinafter "Losses"), directly or indirectly, arising out of, resulting from or in any way connected with:
 - a) Any breach by Developer of the terms of this Agreement;
 - b) Any non-compliance with laws, ordinances, rules or regulations applicable to Developer's obligations under this Agreement; or
 - c) Any governmental, regulatory or other proceedings to the extent any such proceedings result from Developer's failure to comply with its obligations under this Agreement or otherwise.
2. Indemnification Procedures. Developer shall promptly assume full and complete responsibility for the investigation, defense, compromise and settlement of any claim, suit or action arising out of or relating to the indemnified matters following written notice thereof from the City or RDA, which notice shall be given by the City or RDA within ten (10) days of their knowledge of such claim, suit or action. Failure to provide such timely notice shall not eliminate Developer's indemnification obligations to the City and RDA unless, and only to the extent to which, such failure has substantially prejudiced Developer. Notwithstanding the foregoing, in its sole discretion and at its expense, the City and RDA may participate in or defend or prosecute, through their own counsel(s), any claim suit or action for which either of them is entitled to indemnification by Developer; provided, however, that if the City or RDA is advised in writing by its legal counsel that there is a conflict between the positions of Developer and City or RDA, as appropriate, in conducting the defense of such action or that there are legal defenses available to the City or RDA different from or in addition to those available to Developer, then counsel for the City or RDA, at Developer's expense, shall be entitled to conduct the defense only to the extent necessary to protect the interests of the City or RDA. Developer shall not enter into any compromise or settlement without the prior written consent of the City or RDA, as appropriate, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against the City or RDA shall be reasonable grounds for the City or RDA to refuse to provide written consent to a compromise or settlement. If Developer does not assume the defense of such claim, suit or action, Developer shall reimburse the City and RDA for the reasonable fees and expenses of counsel(s) retained by the City and by RDA, and shall be bound by the results obtained by the City and RDA; provided, however, that no such claim, suit or action shall be settled without Developer's prior written consent, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against Developer shall be reasonable grounds for Developer to refuse to provide written consent to a compromise or settlement.

V. CONDITIONS PRECEDENT TO OBLIGATIONS OF CITY AND RDA

The City's and RDA's obligations under this Agreement are conditioned upon the following:

- A. Existence. Developer shall have provided City and/or RDA a certified copy of its organizational documents and a certificate from the Department of Financial Institutions for the State of Wisconsin indicating Developer's existence and good standing.

- A. No Material Change in Documents. All contract documents and agreements have been furnished to the City and RDA, as the case may be, and are true and correct and there has been no material change in any of the same.
- B. No Material Change in Developer Operations. There has been no material change in the business operations of Developer since the date the parties began negotiation to enter into this Agreement.

Developer shall not suffer any construction or other involuntary lien to be imposed upon the Property, except for liens for claims to payment that are subject to a

bona fide dispute, and, in that case, such liens shall be removed by Developer posting bond or other security, paying one hundred and twenty percent (120%) of the lien claimed into court, escrowing funds or promptly taking other steps to remove the lien of record. Developer shall pay all other obligations relating to the Project, including all creditors holding liens or mortgages against the Property when and as the same become due. Developer will pay all taxes and assessments levied against the Property when and as the same become due.

- E. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City or RDA pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.
- F. Good Standing. Developer is a limited liability company organized and existing in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business.
- G. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary company action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally.
- H. No Conflict. The execution, delivery, and performance of the obligations of Developer pursuant to this Agreement will not violate or conflict with the Articles of Organization or Operating Agreement of Developer or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of obligations of Developer pursuant to this Agreement violate or conflict with any law applicable to Developer.
- I. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Property that would adversely affect the Project, Developer or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.
- J. No Default. No default, or event that with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.
- K. Compliance with Laws and Codes. The Project, when completed, will conform and comply in all respects with all applicable laws, rules, regulations and ordinances, including without limitation, all building codes and ordinances of the City. Developer will comply with, and will cause the Project to be in compliance with all applicable federal, state, local and other laws, rules, regulations and ordinances, including without limitation, all environmental laws, rules, regulations and ordinances.
- L. Fees or Commissions. Neither the City nor RDA shall be liable for any broker fees or commissions incurred by Developer in connection with the Property or any transactions contemplated by this Agreement.
- M. No Objection to Property Assessment. Prior to termination of this Agreement, Developer shall not file an objection to real or personal property assessment as provided under §70.47(7)(a), Wis. Stats.

VIII. DEFAULT

A. Developer Default. Each of the following shall be an Event of Default by Developer:

1. Failure to Make Payment. Developer fails to make any payment required and such failure continues for a period of ten (10) days after its due date;
2. Failure to Abide by Other Terms. Developer fails to perform any other of its obligations under this Agreement and such failure continues for a period of thirty (30) days from the date of notice from the City or RDA; provided, however, if such cure cannot reasonably be accomplished within such thirty (30) days and the delay in cure does not materially impair the financial interests of the City or RDA, and if Developer promptly commences cure within the initial thirty (30) days and diligently pursues cure thereafter, Developer shall have a reasonable time, not to exceed sixty (60) days after the initial thirty (30) days, for a total of ninety (90) days to cure;
3. Misrepresentation. Any representation or warranty of Developer in this Agreement or any agreement contemplated by this Agreement is untrue in any material respect;
4. Fraud and Other Illicit Behavior. Developer or any of its members is convicted of, pleads no contest to, or enters into any other agreement other than a dismissal with no conditions as to any allegation of:
 - a) Fraud; or
 - b) Indecent or illicit behavior that in the determination of the City or RDA would threaten the reputation of Developer or its ability to complete the Project according to the requirements of this Agreement;
5. Insolvency. Developer or any guarantor of the obligations of Developer hereunder is insolvent or becomes the subject of a petition in bankruptcy, a receivership, a composition or any other proceeding designed for the benefit of creditors generally that is not dismissed within sixty (60) days of the date of filing;
6. Involuntary Liens. Any lien is imposed upon the Property involuntarily due to the acts or omissions of Developer and such lien is not removed within sixty (60) days of it being imposed upon the Property.

B. Remedies Upon Default. In the event of the occurrence of an Event of Default by Developer, the City may in its discretion:

1. Termination. Terminate this Agreement without further notice to Developer;
2. Offset and Recoupment. Offset or recoup against any amounts that may then or thereafter come due from the City or RDA to Developer, whether under this Agreement or otherwise, an amount of damages reasonably estimated by the City or RDA resulting from Developer's breach;
3. Specific Performance. Sue for specific performance;
4. Sue for Damages. Sue for all damages caused by the Event of Default;

5. Other Remedies. Pursue any other remedies available to the City or RDA at law or in equity;
 6. Interest. Collect interest on all delinquent amounts at the rate of twelve percent (12%) per annum from the date such amount was due; and
 7. Costs and Attorney Fees. Collect all costs and fees, including reasonable attorney fees incurred by the City and RDA, or either of them, by virtue of the Event of Default.
- C. City or RDA Default. Developer shall have all rights and remedies available under law or equity with respect to any failure of the City and/or RDA to perform their obligations under this Agreement, but only after providing the City and RDA notice of such default and a failure by the City and/or RDA to commence attempts to cure such default within the thirty (30)-day notice period. If the City and/or RDA, as appropriate, commences cure within the thirty (30)-day notice period and thereafter reasonably and continuously takes action to complete such cure, then the failure to perform shall not be an Event of Default.
- D. Limitation of Damages. The foregoing notwithstanding, none of the parties shall be liable to any other party for any incidental, consequential, indirect, punitive or exemplary damages. All claims and damages asserted against the City or RDA shall be subject to statutory protections of municipalities and their officials and employees, including the immunity and limitations set forth in §893.80 Wis. Stats.
- E. No Waiver. Any delay in instituting or prosecuting any actions or proceedings or otherwise asserting the rights granted in this Agreement, shall not operate as a waiver of such rights to, or deprive it of or limit such rights in any way, nor shall any waiver in fact made with respect to any specific default, be considered or treated as a waiver of any rights with respect to other defaults or with respect to the particular default except to the extent specifically waived in writing.
- F. Remedies Cumulative. Except as expressly provided otherwise in this Agreement, the rights and remedies of the parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise by any party of any one or more of such remedies shall not preclude the exercise of it, at the same or different times, of any other such remedies for any other default or breach by any other party.

IX. TERMINATION

- A. Date of Termination. This Agreement shall terminate upon the earliest of the date:
1. All Qualified Expenditures have been repaid in full by Tax Increment;
 2. The City closes and terminates the TID;
 3. The Wisconsin Department of Revenue fails to certify or revokes certification of all or any portion of the TID or the Property;

X. MISCELLANEOUS PROVISIONS

- A. No Effect Until Executed. The terms of this Agreement shall have no force and effect unless and until this Agreement is executed by all Parties.
- B. Assignment. Developer may not assign its rights under this Agreement without the express prior written consent of the City and RDA, until the obligations of the Developer under Section III hereof are fully performed and satisfied. Thereafter, this Agreement may be assigned by Developer only upon the prior, written consent of the City and RDA, which shall not be unreasonably withheld.
- C. Nondiscrimination. In the performance of work under this Agreement, Developer shall not discriminate against any employee or applicant for employment nor shall the Property or any portion thereof be sold to, leased or used by any party in any manner to permit discrimination or restriction on the basis of the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender (including pregnancy), gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. Under no circumstances shall the City or RDA be liable for any of the obligations of Developer under this Agreement or otherwise. There are no third party beneficiaries of this Agreement.
- G. Force Majeure. No party shall be responsible to any other party for any resulting losses and it shall not be a default hereunder if the fulfillment of any of the terms of this Agreement is delayed or prevented by revolutions or other civil disorders, wars, acts of enemies, strikes, fires, floods, acts of God, adverse weather conditions, legally required environmental remedial actions, industry-wide shortage of materials, or by any other cause not within the control of the party whose performance was interfered with, and which exercise of reasonable diligence, such party is unable to prevent, whether of the class of causes herein above enumerated or not, and the time for performance shall be extended by the period of delay occasioned by any such cause. The foregoing notwithstanding, a Force Majeure event may not be used to avoid an Event of Default if the delay caused by the Force Majeure event exceeds ninety (90) days from the date the event occurred.

- H. Parties and Survival of Agreement. Except as otherwise expressly provided herein, this Agreement is made solely for the benefit of the parties hereto and no other person, partnership, association or corporation shall acquire or have any rights hereunder or by virtue hereof. All representations and agreements in this Agreement shall remain operative and in full force and effect until fulfilled and shall survive the closing.
- I. Time. TIME IS OF THE ESSENCE with regard to all dates and time periods set forth herein.
