**RECITALS**

- A. Developer has proposed to develop certain real property, identified for real estate tax purposes and address as:

Tax Parcel	Address	Acres	Assessed Value
I-1841-C-2	1004 Brett Favre Pass	3.125	\$1,889,900.00

- B. The parcel listed above, shall be referred to as the "Property." The Property comprises approximately three and one hundred twenty five thousandths (3.125) acres of land. A map of the Property is herein attached as EXHIBIT A; a legal description of the Property is herein attached as EXHIBIT B.
- C. Developer intends to complete a Project, which involves construction of a six (6)-story boutique, 100-unit, all-suites hotel of approximately one-hundred thousand (100,000) square feet, along with parking, landscaping, lighting and other related improvements. The Proposed Project improvements are shown on a Preliminary Concept Plan, which is herein attached as EXHIBIT C.
- D. As of January 1, 2019, the Property has an aggregate assessed value of one million, eight hundred and eighty nine thousand, nine hundred dollars (\$1,889,900.00), which based on the assessed tax rates in effect as of January 1, 2019, the Property yields approximately:
1. \$44,185.00 in total real estate taxes annually (assessed mill rate of \$23.38);
  2. \$44,185.00 in real estate taxes to the local taxing jurisdictions (total real estate taxes less real estate taxes to the State of Wisconsin) annually (assessed mill rate of \$23.38); and
  3. \$17,292.00 in real estate taxes to the City of Green Bay annually (assessed mill rate of \$9.15).
- E. Upon completion of Proposed Project, the City estimates the aggregate assessed property value of the Property to increase by sixteen million dollars (\$16,000,000.00) above the base value, which is anticipated to yield approximately:
1. \$393,979.38 in total real estate taxes annually (assessed mill rate of \$24.62);

2. \$393,979.38 in real estate taxes to the local taxing jurisdictions (total real estate taxes less real estate taxes to the State of Wisconsin) annually (assessed mill rate of \$24.62); and
3. \$155,520.00 in real estate taxes to the City of Green Bay annually (assessed mill rate of \$9.72).

The City Assessor or his/her designee may not use this Agreement or any provisions herein as the sole basis to determine the value of the Project.

- F. Pursuant to the provisions of §66.1105, Wis. Stats. (the “Tax Increment Law”), the RDA, the City and the Joint Review Board (JRB) created a new conservation and rehabilitation or blight Tax Increment District (“TID 23” or the “TID”), effective January 1, 2019, which includes the Property, and may also include adjacent property, and which will provide part of the financing for certain costs of the Project.
- G. Developer has requested Tax Incremental Finance (“TIF”) assistance from the City and RDA with regard to certain expenses, including, but not limited to environmental remediation; demolition, remodeling, repair or reconstruction of existing buildings; clearing of land; construction of new buildings; or the construction of public works infrastructure, which will constitute qualified expenditures for which TIF assistance may be afforded Developer.
- H. The City and RDA desire to have Developer perform the Project in order to generate economic activity and tax base for the community consistent with the City Comprehensive Plan.
- I. In order to induce Developer to undertake the Project, such that the Project will reduce transportation hazards; build new structures with high-performance designs, systems, and finishes; create a significantly higher per acre property value than adjacent properties and the City average; generate property taxes greater than the cost of providing infrastructure and services; is located in places easy to reach on foot, bicycle, or transit; strengthen and/or expand non-motorized transportation networks; generate job opportunities for individuals of all ages, abilities, and incomes; expand our range of real estate products; are designed and built with options for conversion to alternative uses in the future; create and/or enhance unique public spaces, amenities, and art; and the public will generally benefit, the City has agreed to provide assistance to Developer as provided by this Agreement, all in accordance with the terms and conditions of this Agreement.
- J. The Developer, City and RDA, previously entered into an agreement “Development Agreement 19-02” dated August, 5, 2019. Due to the COVID-19 pandemic, the Developer experienced delays in obtaining financing, which led to expiration of certain applicable zoning codes, accordingly a new agreement is needed for the Project.
- K. The Developer, City and RDA now desire to terminate Development Agreement 19—02 and to execute this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

City shall cooperate and act promptly with respect to any and all permits or approvals necessary for completion of the Project. Notwithstanding the above, this Agreement shall not limit the discretion of the City, or any of its duly appointed and authorized governing bodies, boards or entities, in approving or rejecting any aspect of the Project or improvements contemplated on or about the Property.
- D. Entire Agreement. This writing including all Exhibits hereto, and the other documents and agreements referenced herein, constitutes the entire Agreement between the parties hereto in respect to the Project and all prior letters of intent or offers, if any, are hereby terminated. This Agreement shall be deemed to include and incorporate such minutes, approvals, plans, and specifications, as referenced in this Agreement, and in the event of a conflict between this Agreement and any action of the City or RDA, granting approvals or conditions attendant with such approval, the terms of this Agreement shall be deemed controlling and the City and RDA will take the necessary action to amend any conflicting approvals or conditions.
- E. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base within the City, the City intends to provide the TIF Incentives as set forth in this Agreement. The City intends to recover its costs through the Available Tax Increment generated by the Property. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed.

- B. Nature of TIF Incentive. The TIF Incentive available to Developer under this Agreement shall be defined as the following:
- I. PAYGo Reimbursement. The City shall provide an ~~additional~~ TIF Incentive as a pay-as-you-go (PAYGo) obligation of the City, which is further defined as follows:
    - a) Developer shall be responsible to incur and pay all of the upfront costs of the Project and, to the extent TID revenues are sufficient to the limits of the TID and this Agreement, Qualified Expenditures shall be reimbursed to Developer.
    - b) Commencing the first year after the first occupancy permit for the Project has been issued, the assessed value of the Property shall be determined on January 1 of each tax year and shall be compared to the ~~assessed value of the Property as of January 1 of the year in which construction commenced~~ Base Value. The difference in assessed values shall be known as the Incremental Property Value.
    - c) Incremental Property Value multiplied by the assessed mill rate, less payments of real estate taxes to the State of Wisconsin, shall be known as the Available TIF Increment.
    - d) The City shall make available eighty percent (80%) of the ~~Annual~~ annual Available TIF Increment to the Developer beginning with payment year 2025 and continuing through the end of year 2041.
    - e) PAYGo Reimbursement payments will be payable to Developer in the year following the year of the Available TIF Increment determination, after Developer has provided proof to the City of the full payment of the real estate taxes, special assessments and special charges against the Real Estate for the previous year. For example, if the first occupancy permit is issued on July 1, 2023, the TIF Increment would be determined as of January 1, 2024 and the PAYGo reimbursement would first be payable in 2025.
  2. Assignment. Developer may assign any of its payment rights hereunder to any future purchaser or developer of any part of the Property upon approval of the RDA, provided however, that the City shall be obligated only to disburse TIF Incentives or Payment In Lieu (defined below) to the party with whom the City has an agreement. ~~The City and the RDA hereby consent to the collateral assignment to Lender of Developer’s right to receive payments of the TIF Incentive and/or the Payment In Lieu. The City shall disburse the TIF Incentive and/or Payment in Lieu directly to Lender in accordance with any assignment documentation between Developer and Lender.~~ It shall be incumbent upon Developer to enter into a separate agreement with any third parties if it intends to assign its payment rights hereunder, or seek either reimbursement or allocation of any Incremental Property

Value and guaranteed aggregate assessed value generated by any third party purchaser and/or developer of any part of the Property.

3. Qualified Expenditures. The TIF Incentive shall only fund, in order of priority:
  - a) Public Improvements, as defined in Section II. L.; then
  - b) "Private Improvements", including:
    - (I) Environmental remediation, and asbestos abatement as required by State and Federal law;

C. Limitations. The TIF Incentive available to Developer for the Project is limited as follows:

1. Monetary Limitation. The TIF Incentive in any year shall not exceed eighty percent (80%) of the Available Tax Increment for the Property.
2. Tax Incentive Cap. The City shall not be obligated to pay TIF Incentive in excess of the total amount of Qualified Expenses incurred and paid by Developer.
3. Tax Receipts Limitation. Only the Available Tax Increment actually received by the City, and no other property, revenue, or asset of the City, shall be used to pay such amounts.
4. Temporal Limitation. Provided Developer qualifies for TIF Incentive and provides adequate proof to the City and RDA that Developer has incurred and paid Qualified Expenditures, ~~an~~ and provided Developer and all transferees have paid the real estate taxes and any Special Assessments and Special Charges in full for the previous tax year by July 31, TIF Incentive payments shall be made on or before September 1 of each year; provided, however, in no event shall TIF Incentive payments continue after the earlier of:

  - b) The termination date of the TID; or
  - c) The termination of this Agreement, if before the termination of the TID.

D. No General Obligation of City. The City's obligation to make TIF Incentive payments shall be a special and limited obligation only and shall not be considered a general obligation of the City, and neither the full faith and credit nor the taxing powers of the City are pledged to the payment of such amounts.

The City shall take no action to dissolve the TID before payment of all TIF Incentive payments due to the Developer, subject to the provisions of this Agreement. In no circumstances shall amounts to be paid Developer hereunder be considered an indebtedness of the City, and the obligation of the City hereunder is limited to the Available Tax Increment appropriated and received by the City. Amounts due hereunder shall not count against the City's constitutional debt limitation, and no taxes will be levied for its payment or pledged to its payment other than from the Available Tax Increment.

- E. Other Grants and Credits. The City and RDA, as appropriate and in its sole discretion, may also apply for such other grants and credits in regard to the Project as they shall deem appropriate for the benefit of the Project and as may be required to achieve necessary financing for the Project, provided, however, the City and RDA make no representations or warranties about the availability of such grants and credits or whether any such grants or credits that may be available will be awarded.
- A. Guaranteed Minimum Payment; Payment in Lieu. Notwithstanding anything to the contrary herein, in the event that the TIF Incentive payable to Developer in any given tax year shall fall below \$393,000.00 for the tax year 2024, and increasing at a rate of 2% each year thereafter (the "Guaranteed Minimum") during the statutory life of the TID District (the "PILOT Term"), then the Developer or any successor owner of the Project shall make (or cause to be made) during the PILOT Term annual payments in lieu of taxes in an amount sufficient to meet the Guaranteed Minimum (as determined by the assessor) (the "Payment in Lieu"). The Guaranteed Minimum and/or Payment in Lieu shall be available to Developer for reimbursement of Developer's Qualified Expenditures, provided Developer qualifies for the TIF Incentive and provides adequate proof to the City and RDA that Developer has incurred and paid for Qualified Expenditures. Such Payment in Lieu shall be due and payable at the same time and in the same manner as the ad valorem taxes are due and payable for such year. If the Developer or any successor owner fails to make the Payment in Lieu when due, the City may, in addition to all other remedies available to it, levy a special assessment against the Project in the amount of the difference between the actual TIF Incentive available for reimbursement to Developer and the Guaranteed Minimum. Any and all notice and hearing requirements which may be required under the law for such special assessment are hereby waived by Developer. Notwithstanding the levying of such special assessment, the payment obligation under this Section shall be the personal obligation of the person or entity that is the owner of the Project at the time that the TIF Incentive falls below the Guaranteed Minimum. The covenants contained in this Article shall be deemed to be covenants running with the land and shall be binding upon all owners of any portion of the Project for the duration of the PILOT Term. The City is hereby expressly declared to be a beneficiary of such covenants and is entitled to enforce the same against all successor owners of the Project.

- F. Proof of Equity. By no later than March 1, 2022, Developer shall have in place and shall provide the Executive Director of the RDA proof of equity in the form of the value of the Property, less any mortgages thereon, not less than twenty percent (20%) equity available for injection into the Project in an amount sufficient to obtain financing for all Project costs.     - b) Bodily Injury and Property Damage - \$2,000,000.00 per occurrence;
    - c) Fire Legal Liability Damage Limit - \$100,000.00 per occurrence; and
    - d) Medical Expense Limit - \$10,000.00 per person.
  4. Comprehensive Automobile Liability and Property Damage. Coverage shall protect Developer and any subcontractor during the performance of work covered by this Agreement from claims or damages associated with operations of owned, hired, and non- owned motor vehicles. The amounts of such insurance shall be not less than the following limits:
    - a) Bodily Injury - \$250,000.00 per person; and
    - b) \$1,000,000.00 per occurrence; and Property Damage - \$250,000.00 per occurrence.

5. **Umbrella Coverage.** Coverage shall protect Developer and any subcontractor during the performance of work covered by this Agreement with limits of \$1,000,000.00 for bodily injury, personal injury, and property damage on a combined basis with the stated underlying limits of Paragraphs IV. S. 1. to IV S. 3. above.
6. **Builder's Risk Insurance.** Before commencing construction of any improvements on the Property and during any construction activities contemplated by this Agreement, Developer shall obtain and keep in full force and effect and all builders risk insurance policy for all portions of the Property with coverage equal to the total amount of the construction contracts for all such construction activities. Nothing in this Agreement is intended to relieve Developer of its obligation to perform under this Agreement and, in the event of loss, Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.
7. **Fire and Casualty Insurance.** Developer shall obtain and keep in full force adequate fire and casualty insurance with coverage in an amount equal to the assessed value of such improvements. In the event of loss the Developer shall use the proceeds of such insurance to promptly reconstruct the damaged or lost improvements.

S. **General Indemnity.**

1. **Protection Against Losses.** Developer shall indemnify, defend and hold harmless the City, RDA, and their respective officers, employees, agents, attorneys, insurers and the successors and assigns of all of the foregoing, from any and all liabilities, claims, losses, damages, judgments or awards, costs or expenses, including reasonable attorneys' fees, of whatsoever nature and by whomsoever asserted, whether asserted by a third party or by a party to this Agreement (hereinafter "Losses"), directly or indirectly, arising out of, resulting from or in any way connected with:
  - a) Any breach by Developer of the terms of this Agreement;
  - b) Any non-compliance with laws, ordinances, rules or regulations applicable to Developer's obligations under this Agreement; or
  - c) Any governmental, regulatory or other proceedings to the extent any such proceedings result from Developer's failure to comply with its obligations under this Agreement or otherwise.
2. **Indemnification Procedures.** Developer shall promptly assume full and complete responsibility for the investigation, defense, compromise and settlement of any claim, suit or action arising out of or relating to the indemnified matters following written notice thereof from the City or RDA, which notice shall be given by the City or RDA within ten (10) days of their knowledge of such claim, suit or action. Failure to provide such timely notice shall not eliminate Developer's indemnification obligations to the City and RDA unless, and only to the extent to which, such failure has substantially prejudiced Developer. Notwithstanding the foregoing, in its sole discretion and at its expense, the City and RDA may participate in or defend or prosecute, through their own counsel(s), any claim suit or action for which either of them is entitled to indemnification by Developer; provided, however, that if the City or RDA is advised in writing by its legal counsel that there is a conflict between the positions of Developer and City or RDA, as appropriate, in conducting the defense of such action or that there are legal defenses available to the City or RDA different from or in addition to those available to Developer, then counsel for the City or RDA, at Developer's expense, shall be entitled to conduct the defense only to the extent necessary to protect the interests of the City or RDA. Developer shall not enter into any compromise or settlement without the prior written consent of the City or RDA, as appropriate, which consent shall not be

unreasonably withheld. The absence of a complete and general release of all claims against the City or RDA shall be reasonable grounds for the City or RDA to refuse to provide written consent to a compromise or settlement. If Developer does not assume the defense of such claim, suit or action, Developer shall reimburse the City and RDA for the reasonable fees and expenses of counsel(s) retained by the City and by RDA, and shall be bound by the results obtained by the City and RDA; provided, however, that no such claim, suit or action shall be settled without Developer's prior written consent, which consent shall not be unreasonably withheld. The absence of a complete and general release of all claims against Developer shall be reasonable grounds for Developer to refuse to provide written consent to a compromise or settlement.

- D. Payment. Developer shall pay for all work performed or materials furnished for the Project when and as the same become due and payable. Developer shall not suffer any construction or other involuntary lien to be imposed upon the Property, except for liens for claims to payment that are subject to a bona fide dispute, and, in that case, such liens shall be removed by Developer posting bond or other security, paying one hundred and twenty percent (120%) of the lien claimed into court, escrowing funds or promptly taking other steps to remove the lien of record. Developer shall pay all other obligations relating to the Project, including all creditors holding liens or mortgages against the Property when and as the same become due. Developer will pay all taxes and assessments levied against the Property when and as the same become due.
- E. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City or RDA pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.

- G. Due Authorization. - H. No Conflict. The execution, delivery, and performance of the obligations of Developer pursuant to this Agreement will not violate or conflict with the Articles of Organization or Operating Agreement of Developer or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of obligations of Developer pursuant to this Agreement violate or conflict with any law applicable to Developer.
- I. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Property that would adversely affect the Project, Developer or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.
- J. No Default. No default, or event that with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.
- K. Compliance with Laws and Codes. The Project, when completed, will conform and comply in all respects with all applicable laws, rules, regulations and ordinances, including without limitation, all building codes and ordinances of the City. Developer will comply with, and will cause the Project to be in compliance with all applicable federal, state, local and other laws, rules, regulations and

ordinances, including without limitation, all environmental laws, rules, regulations and ordinances.

- L. Fees or Commissions. Neither the City nor RDA shall be liable for any broker fees or commissions incurred by Developer in connection with the Property or any transactions contemplated by this Agreement.

## VIII. DEFAULT

- A. Developer Default. Each of the following shall be an Event of Default by Developer:

1. Failure to Make Payment. Developer fails to make any payment required and such failure continues for a period of ten (10) days after its due date;
2. Failure to Abide by Other Terms. Developer fails to perform any other of its obligations under this Agreement and such failure continues for a period of thirty (30) days from the date of notice from the City or RDA; provided, however, if such cure cannot reasonably be accomplished within such thirty (30) days and the delay in cure does not materially impair the financial interests of the City or RDA, and if Developer promptly commences cure within the initial thirty (30) days and diligently pursues cure thereafter, Developer shall have a reasonable time, not to exceed sixty (60) days after the initial thirty (30) days, for a total of ninety (90) days to cure;
3. Misrepresentation. Any representation or warranty of Developer in this Agreement or any agreement contemplated by this Agreement is untrue in any material respect;
4. Fraud and Other Illicit Behavior. Developer or any of its members is convicted of, pleads no contest to, or enters into any other agreement other than a dismissal with no conditions as to any allegation of:
  - a) Fraud; or
  - b) Indecent or illicit behavior that in the determination of the City or RDA would threaten the reputation of Developer or its ability to complete the Project according to the requirements of this Agreement;
5. Insolvency. Developer or any guarantor of the obligations of Developer hereunder is insolvent or becomes the subject of a petition in bankruptcy, a receivership, a composition or any other proceeding designed for the benefit of creditors generally that is not dismissed within sixty (60) days of the date of filing;
6. Involuntary Liens. Any lien is imposed upon the Property involuntarily due to the acts or omissions of Developer and such lien is not removed within sixty (60) days of it being imposed upon the Property.

- B. Remedies Upon Default. In the event of the occurrence of an Event of Default by Developer, the City may in its discretion:

1. Termination. Terminate this Agreement without further notice to Developer;
2. Offset and Recoupment. Offset or recoup against any amounts that may then or thereafter come due from the City or RDA to Developer, whether under this Agreement or otherwise, an amount of damages reasonably estimated by the City or RDA resulting from Developer's breach;

3. Specific Performance. Sue for specific performance;
4. Sue for Damages. Sue for all damages caused by the Event of Default;
5. Other Remedies. Pursue any other remedies available to the City or RDA at law or in equity;

6. Interest. Collect interest on all delinquent amounts at the rate of twelve percent (12%) per annum from the date such amount was due; and
  7. Costs and Attorney Fees. Collect all costs and fees, including reasonable attorney fees incurred by the City and RDA, or either of them, by virtue of the Event of Default.
- C. City or RDA Default. Developer shall have all rights and remedies available under law or equity with respect to any failure of the City and/or RDA to perform their obligations under this Agreement, but only after providing the City and RDA notice of such default and a failure by the City and/or RDA to commence attempts to cure such default within the thirty (30)-day notice period. If the City and/or RDA, as appropriate, commences cure within the thirty (30)-day notice period and thereafter reasonably and continuously takes action to complete such cure, then the failure to perform shall not be an Event of Default.
- D. Limitation of Damages. The foregoing notwithstanding, none of the parties shall be liable to any other party for any incidental, consequential, indirect, punitive or exemplary damages. All claims and damages asserted against the City or RDA shall be subject to statutory protections of municipalities and their officials and employees, including the immunity and limitations set forth in §893.80 Wis. Stats.
- E. No Waiver. Any delay in instituting or prosecuting any actions or proceedings or otherwise asserting the rights granted in this Agreement, shall not operate as a waiver of such rights to, or deprive it of or limit such rights in any way, nor shall any waiver in fact made with respect to any specific default, be considered or treated as a waiver of any rights with respect to other defaults or with respect to the particular default except to the extent specifically waived in writing.
- F. Remedies Cumulative. Except as expressly provided otherwise in this Agreement, the rights and remedies of the parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise by any party of any one or more of such remedies shall not preclude the exercise of it, at the same or different times, of any other such remedies for any other default or breach by any other party.

1. All Qualified Expenditures have been repaid in full by Tax Increment;

## X. MISCELLANEOUS PROVISIONS

- A. Assignment. Developer may not assign its rights under this Agreement without the express prior written consent of the City and RDA, until the obligations of the Developer under Section III hereof are fully performed and satisfied. Thereafter, this Agreement may be assigned by Developer only upon the prior, written consent of the City and RDA, which shall not be unreasonably withheld. Notwithstanding the foregoing or anything to the contrary herein, the City and RDA consent to Developer's assignment of the payment obligations set forth herein to Lender.
- B. Nondiscrimination. In the performance of work under this Agreement, Developer shall not discriminate against any employee or applicant for employment nor shall the Property or any portion thereof be sold to, leased or used by any party in any manner to permit discrimination or restriction on the basis of the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender (including pregnancy), gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. The foregoing notwithstanding, a Force Majeure event may not be used to avoid an Event of Default if the delay caused by the Force Majeure event exceeds ninety (90) days from the date the event occurred.
- G. Parties and Survival of Agreement. Except as otherwise expressly provided herein, this Agreement is made solely for the benefit of the parties hereto and no other person, partnership, association or corporation shall acquire or have any rights hereunder or by virtue hereof.
