CONSTRUCTION DEVELOPMENT

Brian Ramsey

Projects:

- 104957 Sliding Hill Road Widening Smart Scale; CG-12 plan revision review/coordination with FHWA On-Call Steel Structure Bridge repair project; 656 Sliding Hill Rd EB to I-95 SB on ramp Right Shoulder closures will be in place beginning October 5 from 9am to 3pm; Additional corrections to be conducted by VDOT on-call Contractor pending transfer of funds from existing UPC. ADA corrections by locality, ongoing.
- 111297 657 Ashcake Road over I-95 Bridge Replacement; Pre-Con held 6/30/22. Contract prescribed NTP 8/25/22. Ashcake Rd detour in place. FCD 11/14/23 project trending on schedule. I-95 lane closures early next several weeks. PPS slip forming at night. Fine grading, E&S prep for approach paving is ongoing. Bridge safety acceptance inspection has been requested. Project is ongoing.
- 120331 On-Call Trench Widening; Bid letting 6/22/22, Allan Myers apparent low bidder. Contract is driven/funded by Hanover County. Task Order 01 and 02 are complete. Task Order 03 Cool Spring Road. Task Order 04 issued to allocate Term 1 funds. Project to resume mid-October.
- 13551 360 Mechanicsville Turnpike Widening; Anticipated completion March 31, 2025. Project includes new lanes, drainage, paving, and pedestrian accommodations. Project is ongoing.

HANOVER COUNTY
October 2023 – Quarterly Report

- PM4S and PM4A are 99% complete. Plastic Inlaid Markers to be installed later this week at the Bell Creek Road and Sliding Hill Rd intersection. Project is ongoing.

TRAFFIC ENGINEERING

Marshall Winn / Phillip Frazer

Projects:

- **Flashing Beacons** 606 Old Church Rd & 628 McClellan Rd; to warn traffic of possible vehicles entering intersection. To be tasked to VDOT On-Call Contractor, Team is currently meeting with property owners who have impacts. Easements have been secured and task has been issued to contractor. Work expected to be complete by end of January 2024.

Pending Studies:

- **Turn Lane Warrant**; VDOT is collecting turning movement data & 360 and Walnut Grove to consider extending left turn lane per the County's request.
- **Through Truck Restriction (TTR)**; 629 Cheroy Rd and 656 Mt Hermon Rd is being reviewed as a high level through truck restriction, pending.
- **Intersection Study**; 657 Ashcake Rd and 626 Elmont Rd is being reviewed for signage and pavement markings.
- **Intersection Study**; 655 Jennings Rd at 798 Goddins Hill Rd is being reviewed for signage and pavement markings. Trench widening this summer before pavement markings.
- **Speed Study**; 643 Lee Davis Rd is being reviewed.
- **Safety Study**; 637 Atlee Rd is being reviewed.
- **Safety Study**; 606 Old Church Rd is pending review.
- **Speed Study**; 693 Flannigan Mill Rd is pending review.

Completed Studies:

- **Pedestrian Study**; 638 Atlee Road crosswalk signs installed in the Rutland area.
- **Safety Study**; Cool Springs Rd. School Zone signs installed at Kersey Creek Elementary School and Hanover High School.
- **Safety Study**; Ashland Rd and Cauthorne Rd. Current SSD is sufficient. Minor improvements have been recommended; enhance visibility at the intersection, pavement markings, and signage improvements.
- **Intersection Study**; 1 N Washington Rd and 738 Old Ridge Rd has been reviewed. Based on roadway conditions, crash data, and collected traffic volumes, the analysis indicates a traffic signal is not justified.
- **Speed Study**; 673 Waltons Tavern Rd has been reviewed. Recommend lowering the speed limit to 45MPH, pending signage and pavement markings.
- **Speed Study**; 723 Peppertown Rd has been reviewed. Recommend lowering the speed limit to 35 MPH, pending signage install.
- **Safety Study**; 301 Chamberlayne Rd Hanover High School Delineators. White delineators are on order and will be replaced on 301 northbound. Yellow delineators in the painted gore are on order and will be installed on 301 southbound.
- **Safety Study**; Cardinal Commerce Center. No Left Turn and Do Not Enter signs

HANOVER COUNTY

October 2023 – Quarterly Report

are on order and will be installed at entrance.

- **Safety Study**; Ashcake Rd & Peaks Rd. Hanover County Sheriff's Office requested VDOT to look at the 2.8 mile corridor. Peaks Rd is primarily straight with warning signage at curves. Speed limit signs, 45 MPH, have been posted from Ashcake Rd to Cadys Mill Rd at each intersection. The last mile to 301 is unposted.
- **Safety Study**; Ashcake Rd & Lewistown Rd intersection. Hanover County Sheriff's Office requested speed limit sign posted at the intersection as well as vegetation clean up. Signs are on order.
