A RESOLUTION SUPPORTING INCREASED FUNDING FOR PLANNING DISTRICT COMMISSIONS TO BE INCLUDED IN THE GOVERNOR'S BIENNIAL BUDGET FOR FY25/26

WHEREAS, The Virginia Association of Planning District Commissions (VAPDC) is taking steps to request that additional state funding for Planning District Commissions be included in the biennial budget that Governor Youngkin will propose to the General Assembly in December; and

WHEREAS, the specific request is for an increase of \$150,000 per PDC (total funding request of \$3.15 million per fiscal year in both FY25 and FY26); and

WHEREAS, currently, TJPDC (Thomas Jefferson Planning District Commission) and most other PDCs receive just under \$90,000 in state base funding per year; and

WHEREAS, the amount requested would extend PDC staff capacity to secure federal dollars, to execute collaborative regional projects and plans, and to assist the State on joint work that benefits localities and regions.

NOW, THEREFORE, BE IT RESOLVED, on this 6th day of November, 2023, that the Louisa County Board of Supervisors does hereby support increased funding for Planning District Commissions to be included in the Governor's Biennial Budget for FY25/26.
