AGENDA ITEM # IV.9

Review the City of Lynchburg's 2024 Legislative Agenda

RECOMMENDATION

The 2024 Legislative Agenda will be presented to the City Council during their worksession as a Business Item Briefing. The Council will be asked to guide the staff as to what they would like to see represented in the 2024 General Assembly Session.

SUMMARY

The Legislative Agenda is a culmination of requests from staff and Council based on the needs of the city. There are three sections: Education, Public Safety and Economic Strength, as well as a miscellaneous item. At the council's direction, the document will be updated and presented to the City Council during the Formal Session on October 10th.
