

**CITY OF OXNARD CONTRACT FOR  
THE ON-CALL TREE MAINTENANCE SERVICES PROJECT  
SPECIFICATION NO. PW 20-22**

THIS CONTRACT ("Contract") is made and entered this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ ("Effective Date"), by and between the CITY OF OXNARD, a California municipal corporation ("City") and WEST COAST ARBORISTS, INC. ("Contractor"). Contractor's license number is 863659.

In consideration of the covenants set forth herein, the parties hereto agree as follows:

1. Incorporation. The Contract consists of all Contract Documents, which shall include the General Provisions, Special Provisions and all documents referenced in either the General or Special Provisions. These documents are incorporated herein by reference.

2. Scope of Services. Contractor shall perform all Tasks in a good and workmanlike manner for the project identified as the On-Call Tree Maintenance Services Project Specification No. PW 20-22 ("Project"), as described in this Contract and in the Contract Documents, throughout the Contract Term. The Special Provisions are attached hereto as Exhibit A and are incorporated herein by this reference.

3. Compensation. In consideration of the services rendered pursuant to the requirements listed in the Contract Documents, City shall pay Contractor for each Task in accordance with the Contract Unit Prices submitted in the Bid, attached hereto as Exhibit B and incorporated herein by this reference, which in any case shall not exceed two million dollars (\$2,000,000) for Special Districts and seven hundred thousand dollars (\$700,000) for Facilities Department.

Under no circumstances may any Work be done for one department or division utilizing another department or division's funding. It is Contractor's responsibility to keep the departments and divisions' funds separate and to monitor each department or division's balance to ensure Work for a department or division does not exceed its funding. Each invoice must list the department or division for which that Task Order was issued.

4. Contract Term. The Contract Term shall begin on the Effective Date and end five (5) years thereafter, unless sooner terminated pursuant to the Contract Documents.

5. Antitrust Claims. In entering into this Contract, Contractor assigns to City all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act (Business and Professions Code Section 16700 *et seq.*) arising from purchases of goods, services, or materials pursuant to the Contract Documents. This assignment shall be made and become effective at the time City tenders final payment to Contractor without further acknowledgment by the parties.

6. Prevailing Wages. City and Contractor acknowledge that the Tasks comprising the Project are public works to which prevailing wages apply. Once the Project Manager issues a Task Order, copies of the prevailing rate of per diem wages for each craft, classification, or type of worker needed to perform the corresponding Task will be on file with the Project Coordinator at City Hall and will be made available to any interested party on request. Contractor and all Subcontractors are not qualified to bid on, be listed in a Bid proposal, or engage in the performance of any contract for public work, as defined in Labor Code Sections 1720 through 1861, unless registered and qualified to perform public work pursuant to Labor Code Section 1725.5 at the time of Bid submission.

7. Workers' Compensation. Labor Code Sections 1860 and 3700 provide that every contractor will be required to secure the payment of compensation to its employees. In accordance with the provisions of Labor Code Section 1861, by signing this Contract, the Contractor certifies as follows: "I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the Work of this Contract."

8. Titles. The titles used in this Contract are for convenience only and shall in no way define, limit or describe the scope or intent of this Contract or any part of it.

9. Authority. Any person executing this Contract on behalf of Contractor warrants and represents that he or she has the authority to execute this Contract on behalf of Contractor and has the authority to bind Contractor to the performance of its obligations hereunder.

10. Entire Agreement. This Contract, including all incorporated documents, constitutes the entire agreement between the parties hereto with respect to the Project and all related Tasks and supersedes all previous agreements, promises, proposals, representations, understandings and negotiations, whether written or oral, between the parties regarding the subject matter.

11. Amendment. No modification, amendment or supplement to this Contract other than Change Orders or Task Orders shall be binding unless made in writing and signed by the duly authorized representatives of both parties.

12. Counterparts. This Contract may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A signed copy of this Contract transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Contract for all purposes. This provision shall likewise apply to all Task Orders and other Contract Documents.

Exhibit INS-C

**INSURANCE REQUIREMENTS FOR SMALL/MEDIUM CONSTRUCTION AND SERVICES CONTRACTS  
(WITH BUILDER'S RISK REQUIREMENT)**

**1** Contractor shall obtain and maintain during the performance of any services under this Contract the following insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of services hereunder by Contractor, its agents, representatives, employees or subcontractors.

2.1 Commercial General Liability Insurance, including Contractual Liability, in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for general liability with coverage equivalent to Insurance Services Office Commercial General Liability Coverage (Occurrence Form CG 0001) If a general aggregate limit is used, that limit shall apply separately to the project location or shall be twice the occurrence amount;

2.2 Business Automobile Liability Insurance in an amount not less than \$1,000,000 combined single limit for bodily injury and property damage for each claimant for automobile liability with coverage equivalent to Insurance Services Office Automobile Liability Coverage (Occurrence Form CA0001) covering Code No. 1, "any auto;"

2.3 If architectural, engineering, or electrical work will be performed under the Contract, Professional Liability/Errors and Omissions Insurance appropriate to the work being done in an amount not less than \$1,000,000, with neither Contractor nor listed subcontractors having less than \$500,000 individually. The Professional Liability/Errors and Omissions Insurance must be project specific with at least a one year extended reporting period, or longer upon request.

2.4 Course of Construction Insurance providing coverage for "all risks" of loss in an amount not less than the completed value of the project, with City named as Owner and Insured.

2.5 Workers' Compensation Insurance in compliance with the laws of the State of California, and Employer's Liability Insurance in an amount not less than \$1,000,000 per claimant. Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City.

**2** Contractor shall, prior to performance of any services, file with the Risk Manager certificates of insurance with original endorsements effecting coverage required by this Exhibit INS-C. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on the attached forms or on other forms approved by the Risk Manager. All certificates and endorsements are to be received and approved by the Risk Manager before work commences. City reserves the right to require complete certified copies of all required insurance policies at any time. The certificates of insurance and endorsements shall be sent via email (or fax if necessary) to the Risk Manager, addressed as follows (do not send hard copies):

Via Email: [cityofoxnard@ebix.com](mailto:cityofoxnard@ebix.com)  
Via Fax: 678-259-1007

**3** Contractor agrees that all insurance coverages shall be provided by a California admitted insurance carrier with an A.M. Best rating of A:VII or better and shall be endorsed to state that coverage may not be suspended, voided, canceled by either party, or reduced in coverage or limits without 30 days' prior written notice to the Risk Manager. The Risk Manager shall not approve or accept any endorsement if the endorsement contains "best effort" modifiers or if the insurer is relieved from the responsibility to give such notice.

**4** Contractor agrees that the Commercial General Liability and Business Automobile Liability Insurance policies shall be endorsed to name City, its City Council, officers, employees and volunteers as additional insureds as respects: liability arising out of activities performed by or on behalf of Contractor; products and completed operations of Contractor; premises owned, occupied or used by Contractor; or automobiles owned, leased, hired or borrowed by Contractor. The coverage shall contain no special limitations on the scope of protection afforded to City, its City Council, officers, employees and volunteers. **The General Liability Special Endorsement Form and Automobile Liability Special Endorsement Form attached to this Exhibit INS-C or substitute forms containing the same information and acceptable to the Risk Manager shall be used to provide the endorsements (ISO form CG 2010 11/85 or if not available, CG 2010 with an edition date prior to 01/04 and CG 2037).**

**5** The coverages provided to City shall be primary and not contributing to or in excess of any existing City insurance or self-insurance coverages (**this must be endorsed**). Additionally, the workers' compensation policy shall include a waiver of all rights of subrogation which the insurer may have against the City. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its City Council, officers, employees and volunteers. The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

**6** Any deductibles or self-insured retentions must be declared to and approved by the Risk Manager. At the option of the Risk Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its City Council, officers,

employees and volunteers, or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

**7** All insurance standards applicable to Contractor shall also be applicable to Contractor's subcontractors. Contractor agrees to maintain appropriate agreements with subcontractors and to provide proper evidence of coverage upon receipt of a written request from the Risk Manager.

**INSTRUCTION FOR SUBMITTING INSURANCE CERTIFICATES AND ENDORSEMENT FORMS**

***Certificates of Insurance***

The sample accord form on the following page is provided to facilitate your preparation and submission of certificates of insurance. You may use this or any industry form that shows coverage as broad as that shown on the attached sample. **Please note the certificate holder address must be as shown on the attached sample accord form with the contract number and insurance exhibit identification information completed.** Improperly addressed certificates may delay the contract start-up date because the City's practice is to return unidentifiable insurance certificates to the insured for clarification as to the contract number. **Cancellation provisions must be endorsed to the policy. Modifying the certificate does not change coverage or obligate the carrier to provide notice of cancellation.**

***Endorsement Forms***

Original endorsements are required for general liability and automobile liability insurance policies and must be attached to the applicable certificate of insurance. City preference is that you use the endorsement forms which are attached. Substitute forms will be accepted, however, as long as they include provisions comparable to the sample accord form.
