The Large Lot Final Map shall include the following note:

A small lot final map ("SLFM") shall not be recorded, or development of a large lot identified herein shall not proceed other than pursuant to approved infrastructure improvement plans, or a building permit shall not be issued, unless: (i) all offsite and onsite public utilities and roadway and frontage improvements are installed to serve the parcels subject to or depicted on sch SLFM in accordance with the requirements of the Rancho Cordova Municipal Code and such standard specifications created by applicable City ordinances or resolutions which are in effect at the time of the installation of said improvements; or (ii) an appropriate surety bond, instrument of credit, or cash deposit satisfactory to the City is submitted and accepted by the City for said offsite and onsite public utilities and improvements.

The work required may lie within or outside the subdivision and must be completed within the terms agreed upon for any portion of the Project where a subsequent SIA for a SLFM has been entered into with the City. Principal shall ensure that any subsequent purchasers, buyers, or developers of any parcels, of any part of the Large Lot Final Map (but specifically excluding any members of the homebuying public), shall acknowledge and agree to be bound to, in writing, the above-referenced note in this paragraph and this Agreement.

5. Payment For Services. Principal further agrees to promptly pay, when due, all costs for plan checking, inspection services and material testing performed by City pursuant to the requirements of Sections 12.03.210 et. seq. of the Rancho Cordova Municipal Code.

6. Park Renovation Fee. Principal acknowledges that the City has adopted a fee for the purpose of renovating existing parks in the amount designated in the development agreement and amendments thereto with respect to the Project.

7. Acceptance of Improvements. Upon satisfactory completion of all public improvements in accordance with standard specifications created by City ordinances or resolutions which are in effect at the time of the installation of said improvements, City agrees to accept for maintenance the work of improvement within the dedicated parcels shown on said

final subdivision map, and any offsite easements granted, subject to the provisions of paragraph 9 hereof. Acceptance will be postponed until such time the City determines a public purpose exists. Public Purpose is defined as existence of habitable structures within the subdivision.

8. Notice of Commencement of Work. Principal shall notify the City Engineer in writing of the commencement of the work of improvements.

9. Correction of Defects. Principal agrees to remedy any defects in the improvements that are the subject of the applicable subsequent SIA for a SLFM and arising from faulty or defective construction of said improvements occurring within twelve months after acceptance thereof by City.

10. Indemnity. Principal shall indemnify and hold harmless with counsel selected by the City, the City of Rancho Cordova, its agents, officers, consultants, and employees ("City") from any and all loss, damage or liability arising out of or resulting from Principal's performance or non-performance of his duties and obligations under this Agreement, or from the negligent act or omission of himself, his agents, servants and employees. Principal shall, at his own cost and expense, defend any and all actions, suits, or legal proceedings arising out of or resulting from the performance or nonperformance of this Agreement, that may be brought or instituted against the City, its officers and employees, on any such claim or demand, and pay or satisfy any judgment that may be rendered against the City in any such action, suit or legal proceedings, or result thereof, regardless whether caused in part by a party indemnified hereunder.

11. Extension of Completion Date. If the construction of the work or improvement should be delayed without fault of Principal, the time for completion thereof may be extended by City for such period of time as City may deem reasonable.

12. Improvement Security. (a) Principal shall obtain and furnish to City an improvement security consisting of a surety bond in favor of City, issued by a corporate surety authorized to do business in the State of California, and in form approved by City, securing the faithful performance by Principal of the work of improvement required, and also securing the payment of the costs and interest, if any, due under Sections 12.030.210 et seq. of the Rancho Cordova Municipal Code, as provided in Paragraph 5 herein and an additional bond issued by a corporate surety authorized to do business in the State of California, in the amount of not less than 50 percent of the total estimated cost of the improvement, securing payment to contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement.

(b) In lieu of said corporate surety bonds, Principal may furnish an improvement security consisting of a letter of credit, certificate of deposit, or similar instrument of credit, in

form satisfactory to City, issued by a financial institution subject to regulation by the State or Federal government, pledging that the funds necessary to meet the performance required herein are on deposit, and guaranteed for payment on demand. Said letter of credit, certificate of deposit, or similar instrument of credit shall provide that the funds designated therein shall become trust funds for the purposes set forth in said instrument.

(c) The failure of Principal to commence the required work of improvements, or to complete the same within the time required after commencement thereof, shall entitle City to the full payment of the security, or so much thereof as may be necessary to complete the required work of improvement pursuant to the applicable subsequent SIA for said SLFM. The amount of the surety bond for faithful performance shall be in the sum as agreed upon for subsequent SIAs for said SLFMs. The amount of the surety bond for the payment of the claims of the contractor, his subcontractors, and to persons renting equipment or furnishing labor or materials for the improvement shall be at least 50 percent of the above amount. The letter of credit, certificate of deposit or similar instrument of credit, or cash deposit for faithful performance, shall be in the above amount plus an additional 50 percent for the purposes set forth herein.

(d) Prior to issuance of improvement plans not already bonded or secured through a subsequent SIA, Principal shall obtain and furnish to the City an improvement security in favor of City under Chapter 12.03 of the Rancho Cordova Municipal Code.

(e) This Agreement shall automatically terminate as to any portion of the Project where a subsequent SIA for a SLFM has been entered into with the City.

13. Improvement Security As Condition Precedent. The furnishing of the improvement security by Principal as required by paragraph 12 hereof shall be a condition precedent to acceptance by City of the above described real property and the performance by the City of the covenants herein on its part to be performed.

14. Inspection of Work In Progress. (a) Principal may request The City Engineer to inspect the work as it progresses. If the work performed is found to be in accordance with the requirements of City, it may be accepted as it progresses and a partial refund of the cash deposit, or a release pro tanto of the faithful performance bond, letter of credit, certificate of deposit or similar instrument of credit shall be made in a sum in the same ratio to the total deposit as the work accepted bears to the total work to be done. No refund in excess of 85 percent of the total amount of the improvement security for faithful performance shall be made until all the work has been completed and accepted.

(b) The determination of the Administrator of Public Works of City as to the amount of work done, and the amount of refund or partial release pro tanto, shall be final and conclusive. When the work of improvement is accepted, 10 percent of the improvement security

shall be retained to guarantee faithful performance of the provisions of paragraph 9 of this Agreement.

(c) Improvement security given to secure payment to contractor, his subcontractors and to persons renting equipment or furnishing labor or materials for the work of improvement may, six months after completion and acceptance of the work, be reduced to an amount not less than the total of all claims on which an action has been filed, and notice thereof given in writing to City, and if there are no actions filed, such improvement security may be released in full.

15. Execution By Real Party In Interest. Where title to the subdivision property is held by the record owner thereof under a holding Agreement, this Agreement and the bond given pursuant thereto must be executed by the real party or parties in interest.

16. Waiver of Civil Code Section 2819. Any extension of time hereunder shall not operate to release the surety on the bond filed pursuant to this Agreement. In this connection the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

17. City Construction of Improvements. In the event that all or any portion of the works of improvement contemplated herein are proposed to be constructed by street improvement proceedings under the control of City, the undertaking of such proceedings shall in no way relieve Principal of any duties under this Agreement, except where all of the works of improvement that are required under this Agreement have in fact been constructed and accepted by City.

18. Interest. Interest shall accrue at the highest rate permitted by law on all sums from the date payment is due under the terms of this Agreement and the sum due is certain or reasonably capable of being made certain.

19. Attorneys' Fees. In the event that it is necessary for the City to enforce the obligations secured by the improvement security furnished pursuant to Paragraph 12 hereof, the City shall be entitled to recover its costs and reasonable expenses and fees, including reasonable attorneys' fees, as provided for in Government Code Section 66499.4.

20. Amendments. This Agreement may be modified or amended, or any of its provisions waived, only by a subsequent written agreement executed by the parties hereto.

21. Entire Agreement. This Agreement and any attachments hereto constitute the sole, final, complete, exclusive and integrated expression and statement of the terms and conditions of this Agreement among the parties hereto concerning the subject matter addressed herein, and supercedes all prior negotiations, representations or agreements, oral or written, that may be related to the subject matter of this Agreement.

22. Construction and Interpretation. It is agreed and acknowledged by the

Principal that the provisions of this Agreement have been arrived at through negotiation, and that the Principal has had a full and fair opportunity to revise the provisions of this Agreement and to have such provisions reviewed by legal counsel. 24. Time. Time is of the essence in the performance of each and every term of this Agreement.
