EXPLANATION TO COUNCIL BILL
ORIGINATING DEPARTMENT: Police

PURPOSE: To amend the Police Department budget in the General Fund to the amount of \$27,648.00 to recognize money received from MOPERM on two (2) police vehicles and to purchase a 2022 FLHTP Harley Davidson Police Motorcycle from St. Joe Harley Davidson for \$21,100.00 plus \$6,548.00 any miscellaneous set up costs.

REMARKS: On September 17, 2022, and October 6, 2022, police vehicles were involved in crashes. The city received \$12,128.50 from MOPERM on one claim where the officer lost control of the motorcycle on wet pavement and hit a tree while escorting a large motorcycle group. The city also received \$15,519.50 from MOPERM for a claim when an officer driving a patrol car was responding to accident and hit another vehicle crossing an intersection.

The insurance monies will be enough to leverage the purchase of a new police motorcycle to replace the lost unit in a budget neutral fashion. The lost motorcycle was the newest in our fleet and needs to be replaced. The other three are fourteen years old. These motorcycles are used primarily for escorts and special community events with some use in enforcement.

This motorcycle will replace the one lost on September 17, 2022. St Joe Harley Davidson already had a similar unit left over from the previous year's inventory and discounted it \$2,500. All other dealers contacted were unable to provide anything until next year. Attached are the quotes for two Kansas City dealers along with the one available at St Joe Harley Davidson.

The set-up cost is sole source through the appropriate vendors for police equipment to maintain standardized equipment and systems. Some of the equipment saved from the crash will be reused from the wrecked motorcycle where possible.

THIS ORDINANCE HAS BEEN CERTIFIED THAT THE FOREGOING CONTRACT OR ORDER IS WITHIN THE PURPOSE OF THE APPROPRIATION TO WHICH IT IS TO BE CHARGED, AND THAT THERE IS AN UNENCUMBERED BALANCE TO THE CREDIT OF SUCH APPROPRIATION SUFFICIENT TO PAY THEREFORE.
