Dear Chief Connally:

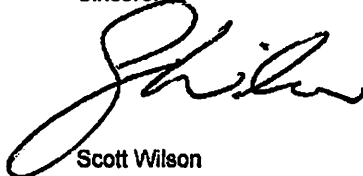

The Office of Highway Safety awarded your agency the equipment listed below as part of a Highway Safety grant. Per Office of Highway Safety inventory policy, as of this date we will no longer be tracking the equipment listed above in our grant management system. If the equipment is still in working order, we encourage your agency to continue using the items that were purchased. However, if the equipment is broken, fallen beyond reasonable repair or is no longer needed, your agency may dispose of the equipment according to your agency's policy.

Please share this information with your inventory manager and any other pertinent staff.

| Item Detail | VIN/Serial Number | Project Number | Reason for Disposition |
|----------------------------|-------------------|----------------|--------------------------------------|
| Full Cab Driving Simulator | | 18-PT-02-133 | Equipment has passed its use of life |

If you have any questions please contact Scott Wilson, Senior System Management Specialist at 573-751-5408.
