

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Supplemental Standards for Science and English Language Arts

Agenda item type:

Action Item

Recommended Action:

MOTION FOR THE BOARD: That the Board approves the Humanities Standards, as amended, including technical, grammatical, and formatting changes as needed.

MOTION FOR THE BOARD: That the Board approves the Meteorology Standards, as amended, including technical, grammatical, and formatting changes as needed.

Background:

As per the Board approved process, staff have prepared supplemental standards for courses in English Language Arts and Science for Board review/approval. The board process is a four-step process:

- 1) Convening a committee to review and revise course standards.
- 2) Releasing standards for a 30-day public review.
- 3) Revising the course standards based on public review.
- 4) Submitting the standards to the Board for approval in either March or November.

As required in step four, staff has submitted the standards for review/approval. Staff will be available for questions related to the draft standards.
